

Sequel of NM – Bernalillo Academy

Empowering Children and Families

Residential/Direct Care Counselors

- Residential Counselors (RCs) provide a safe and therapeutic environment 24/7 for students while implementing structured programming and treatment plans that include teaching skill increase while decreasing maladaptive behaviors. RC's are responsible for data collection, progress note charting, and fostering a strengths-based milieu for students. Bernalillo Academy uses a strength based approach that focuses on learning, practicing, and generalizing skills into more natural environments and intensive teaching to increase skills based on students' strengths.
- Bernalillo Academy has a great team of support with Shift Leads, House Supervisors, Behavioral Staff and a full Clinical Team that works together closely and believes in the promise of every child and empowering children and their families.
- Minimum 6 months exp. working with children with Autism/severe emotional disturbances/neurobiological disorders, or two years post-secondary education in a Human Service related field is required. Education can be substituted for experience.
- Bachelor's degree preferred; 1-2 yrs exp preferred; high school diploma or equivalent required.
- Applicants must be at least 21 years of age prior to employment
