Please note: The Commission has changed its application and review procedures. Even if you have applied to the Commission for AmeriCorps funding previously, it is important that you understand the procedures explained here.

The New Mexico Commission for Community Volunteerism (hereafter “NMCCV” or “the Commission”) is a Governor-appointed Commission. It is a diverse, non-partisan body of, among others, representatives of business, labor, education, government, human service agencies and community-based organizations. The Commission directs national service policy for the state and directly administers funding awarded by the Corporation for National & Community Service (hereafter “CNCS” or “the Corporation”) to support New Mexico AmeriCorps programs.

The Commission, while independent, is hosted by the New Mexico Department of Workforce Solutions (hereafter “DWS”) for ease of administration. DWS provides valuable and critical support to the Commission and is the designated state agency for purposes of issuing Commission Requests for Proposals and administering grant contracts. Therefore, you will see instances within this Request for Proposal (hereafter “RFP”) of documents, forms and other information requested by DWS. You must submit all documents and forms requested by DWS and, if awarded a grant, you must agree to comply with all DWS contract and reporting procedures. However, all decisions made to either recommend or not recommend a proposal for funding, or any other actions by New Mexico with regard to proposals submitted in response to this RFP, are within the discretion of the Commission.

THIS PROPOSAL IS FOR COMPETITIVE FUNDING ONLY

This RFP is for a pool of AmeriCorps national service funding (hereafter the “competitive pool”) that is determined on the basis of a national competition and selected by the Corporation. The Commission’s RFP is designed only to identify those proposals that New Mexico recommends for consideration and ultimate selection by the Corporation. The actions taken by the Commission are not binding on the Corporation, which has sole authority to select which proposals to fund.

Any application in response to this RFP is for this national competitive pool of funding. The proposals forwarded to the Corporation by the Commission will compete with proposals from states across the country and from United States territories. They will also compete with proposals from organizations that operate and provide services in more than one state (hereafter “national direct organizations”) for the same limited and extremely competitive pool of funds.

You should only respond to this RFP if you are proposing an AmeriCorps program that will operate and provide service solely within the geographic borders of New Mexico. If your proposal encompasses programming that will cross these borders, or if you will place AmeriCorps members funded under this proposal at sites outside of New Mexico, PLEASE DO NOT RESPOND TO THIS RFP. You are proposing a national direct program and must respond directly to the Corporation’s national RFP, which can be found here, 2016 AmeriCorps Notice of Funding Opportunity (NOFO).

This RFP will be reviewed by the Commission with two overall goals as guideposts:

- That any programs selected by the Corporation from within the competitive pool will be of value to New Mexico citizens and will achieve demonstrable results within the state and its communities.
- That only well-written, well-designed, quality proposals are forwarded to the Corporation; and that in the view of the Commission will be competitive nationally and have a better than average chance to receive an award of grant funds.

Please design your proposed programming and write your proposal with these goals in mind.
To assist you, we have incorporated language from the Notice of Funding Opportunity (NOFO) issued by the Corporation and the Corporation’s application instructions; as well as the complete NOFO as an appendix. The NOFO explains the criteria and procedures by which the Corporation will review and select proposals for competitive funding that are recommended in response to this RFP. The NOFO is included in this RFP to help you understand the Corporation’s national service priorities and the federal programming guidelines, statutes, rules and regulations as you design and submit your proposal. Should your proposal be forwarded to the Corporation, it will stand the best chance to compete nationally if you keep all of these factors in mind. However, the federal NOFO is not the Commission’s RFP, and the Commission’s deadlines are earlier than those stated in the NOFO. (Please see the deadlines listed on page 12 of this RFP). Nor is the NOFO binding in any way on the Commission, except as the Commission determines within its discretion. Your proposal must respond to this New Mexico State RFP, and must meet all the minimum requirements, deadlines and criteria called for in this RFP.

The Commission will use the following procedures to select programs for recommendation to the Corporation for competitive AmeriCorps funding:

1. New, recompeting and continuation applicants must submit their proposals electronically via the Corporation for National and Community Service (CNCS) web-based system, eGrants. It is recommended that applicants create an eGrants account and begin the application creation process as soon as possible before the deadline. Applicants should draft the application as a word document and copy and paste the document into the appropriate eGrants fields no later than 10 days before the deadline. Please note the length of a document in word processing software may be different than what will print out in eGrants. Following the deadline for submissions, Commission staff will review each proposal to determine if it meets the minimum criteria for consideration (see Section 4.0).

2. New and recompeting applicants must also submit their proposals in the form of an Application Package that should be typed, collated, copied, and packaged according to the specifications given in this RFP.

3. If a proposal meets the minimum criteria, it will be reviewed and scored by external peer reviewers. Reviewers will assess applications based on the Program Design and Organizational Capability criteria. Peer reviewers will be recruited and selected based on their knowledge of AmeriCorps programming, and/or the selection criteria and focus areas. The role of the Commission staff is to facilitate the best possible review by the readers, through technical assistance, training and support. Commission staff will be available to the readers for such support throughout the reading period.

4. Concurrent with the Peer Review, NMCCV staff will complete a Technical Review of the Performance Measures, and Budget.

5. After the external peer reviewers complete their assessment, staff will review the results for fairness and consistency. Some applications may be selected for a Quality Control assessment. This additional level of review may be used to assess: Applications for which there are significant anomalies; or Applications submitted by high-performing current Grantees that received a low score in External Review.

6. After staff and peer review, a Clarification Period may occur allowing the applicant to provide additional/clarifying information, if requested. A request for clarification does not guarantee an application will or will not be approved for funding.

7. Based upon all information collected, NMCCV staff present recommended applications and funding recommendations to the NMCCV Commission Board. The Commission Board members have the opportunity to discuss each application and vote to approve or not approve the recommendations presented.*Applicants may be asked to provide a short, 5-minute presentation to the Commission Board. The presentation should summarize the application. Commission Board members may also ask applicants questions regarding their application.

8. After the Commission determines its recommendations, the Commission staff will notify all applicants via email whether their proposals will be forwarded to the Corporation.

9. If your proposal is selected for recommendation, you may be asked to work with Commission staff to make technical and other minor changes in your proposal so as to ensure that your proposal adheres to all
AmeriCorps statutes and regulations, and to clarify any areas that are vague, nonresponsive, or confusing. No changes made during this period will affect the recommendations as previously determined by the Commission. You will also be asked to enter any changes in your proposal into the Corporation’s eGrants online system by a date specified by the Commission. When you are crafting your proposal, please keep in mind the eGrants character and page limits (see Section 2.9) to prevent the need to excise large portions of your proposal in eGrants.

10. The rankings, reviews and scores of the Commission are not binding on the Corporation as it determines which proposals to select for competitive funding, except as the Corporation may determine within its discretion. While the Corporation may take the Commission’s rankings and recommendations into account, it is not obligated to do so. Essentially, once a proposal is forwarded to the Corporation, it will be evaluated anew, by the Corporation’s selected reviewers and according to the Corporation’s own criteria and by its own review process which is independent of the Commission’s.

11. The Corporation is expected to announce its final grant selections on May 13th, 2015. However, that date is solely within the discretion of the Corporation and is subject to change.

12. If your proposal is selected for funding by the Corporation, you will need to contract with the Commission and with DWS before programming can begin and before you can receive any funds. The Commission and its host agency, DWS, will be the administrators of any grant you are awarded through this RFP.

13. If your proposal is not selected by the Commission for recommendation, and/or your proposal is not selected by the Corporation for funding, you may request feedback from the Commission, according to a process determined by the Commission. You will be notified, at a point subsequent to the announcement of final awards by the Corporation, on how to request feedback.

1 GENERAL INFORMATION

1.1 Introduction
The Commission is pleased to request applications for competitive funding to support AmeriCorps State programs that will engage individuals of all backgrounds in service programs designed to improve lives, strengthen communities, and foster civic engagement.

The Commission is a Governor-appointed, diverse, non-partisan body of, among others, representatives of business, labor, education, government, human service agencies and community-based organizations. The Commission directs national service policy for the state and directly administers funding awarded by the Corporation for National & Community Service to support New Mexico AmeriCorps programs.

The Edward M. Kennedy Serve America Act (SAA) reauthorizes and expands national service programs administered by the Corporation, a federal agency created through the National and Community Service Trust Act of 1993. In accordance with this Act, AmeriCorps grant funding is distributed to Governor-appointed State Service Commissions to subgrant to eligible applicants through a competitive application process.

1.2 Purpose of AmeriCorps Funding
State AmeriCorps grants are awarded to eligible organizations (see Section 2.1) proposing to engage AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position.

AmeriCorps members will be recruited, trained, supervised and managed by the funded organization. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust that members can use to pay for higher education expenses or apply to qualified student loans.

Grant awards have two components: operating funds and AmeriCorps member positions. Grant award amounts vary – both in the level of operating funds and in the type and amount of AmeriCorps Member positions. Eligible
organizations will propose engaging AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities.

1.3 CNCS Focus Areas
In order to carry out Congress’ intent and to maximize the impact of investment in national service, the Corporation is targeting AmeriCorps funds to the following six focus areas:

1.4 2016 AmeriCorps Funding Priorities
The Corporation has designated the following as “priority funding” issue areas. Please note that “priority funding” is not identical in all cases to the focus areas outlined above. The AmeriCorps Focus Areas are delineated in the
SAA, while the priority funding issue areas are determined by the Corporation. For 2016-2017 the Corporation seeks to prioritize the investment of national service resources in:

In order to receive priority consideration, applicants must demonstrate that the priority area is a significant part of the program focus and intended outcomes and must include a high quality program design. Responses that propose programs for the purpose of receiving priority consideration are not guaranteed funding. No additional preference is given for selecting more than one Focus Area and/or more than one National Performance Measure.

### 1.5 National Performance Measures

The Serve America Act (SAA) emphasizes measuring the impact of service and focusing on a core set of issue areas. CNCS’s five-year Strategic Plan establishes an ambitious set of objectives that guided the development of 16 agency-wide Priority Performance Measures. CNCS expects organizations to use National Performance Measures as part of their comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work as well as make tactical and strategic adjustments to achieve their goals. For more information, please refer to the National Performance Measure Instructions [http://www.nationalservice.gov/documents/main-menu/2014/2015-performance-measures-instructions].

All applications must include at least one aligned performance measure (output and outcome) that corresponds to the proposed primary service activity. CNCS does not expect applicants to select performance measures to correspond to each and every potential member activity or community impact. CNCS values the quality of performance measures over the quantity of performance measures. As described in the Application Instructions, applicants must include all their information about their proposed performances measure in the Performance Measure section of the applications in eGrants (CNCS’s web-based grants management system). All information requested in the National Performance Measure Instructions must be included in the text of the performance measures themselves, and it must be evident in the performance measure text that all definitions and requirements outlined in the National Performance Measures Instructions and NOFO FAQs are met. Providing performance measures information elsewhere in the narrative cannot be in lieu of providing full information in the Performance Measures section of the application in eGrants.

### 1.6 Federal Award Information

#### A. Estimated Available Funds

CNCS expects a highly competitive AmeriCorps FY 2016 grant competition. The actual level of funding will be subject to the availability of annual appropriations, which have not yet been made.

#### B. Award Period

Unless otherwise specified, the grant generally covers a three-year project period. In approving a multi-year project period, CNCS generally makes an initial award for the first year of operation. In most cases, the application is submitted with a one-year budget. Continuation funding is not guaranteed. Factors considered in awarding continuation grants include satisfactory performance, demonstrated capacity to manage the grant, compliance with grant requirements, agency priorities, and the availability of appropriated funds. CNCS reserves the right to adjust the amount of a grant or elect not to continue funding for subsequent years.

#### C. Project/Award Period

The project start date is September 1st, 2016 and lasts one year, ending August 31st, 2017. The project start date may not occur prior to the date CNCS awards the grant. AmeriCorps members may not enroll prior to the start date of the award. AmeriCorps members may not begin service prior to the beginning of the member enrollment
period as designated in the grant award. A program may not certify any hours a member performs prior to the beginning of the member enrollment period.

2 APPLICATION REQUIREMENTS

2.1 Eligible Applicants
The following entities are eligible to apply: public or private nonprofit organizations, including faith-based and other community organizations; institutions of higher education; government entities within states or territories (e.g., cities, counties); labor organizations; partnerships and consortia; and federally recognized Indian Tribes.

Receiving funding previously from CNCS or another Federal agency is not a prerequisite to apply under this Notice.

In addition to being eligible to apply under this Notice, federally recognized Indian Tribes will also be eligible to apply under a separate Notice of Federal Funding Opportunity for Indian Tribes for operating or planning grants released later in the fall with an application deadline of spring 2016.

Organizations that have been convicted of a federal crime are disqualified from receiving the assistance described in this Notice. Pursuant to the Lobbying Disclosure Act of 1995, an organization described in Section 501(c)(4) of the Internal Revenue code of 1986, 26 U.S.C. § 501 (c)(4), that engages in lobbying activities is not eligible to apply.

New AmeriCorps State Competitive Grant Applicants
The Commission and the Corporation encourage organizations that have never received AmeriCorps funding to apply for the AmeriCorps funding described in this RFP. The general practice is to award no more than 50 member slots and at least 20 member slots to organizations receiving an AmeriCorps grant for the first time. New applicants are eligible to apply for Cost Reimbursement and Education Award Program (EAP) grants but are not eligible to apply for Full Time Fixed Amount Grants.

Continuation AmeriCorps State Competitive Grant Applicants
Organizations that have current AmeriCorps State awards not ending in FY16 must submit a continuation application in order to be eligible to receive funding for the following year. Please see the Application Instructions.

Recompeting AmeriCorps State Competitive Grant Applicants
Current AmeriCorps State Competitive operating grantees in the third year of a three-year grant are eligible to recompete for new funding beginning in the 2016-17 program year with this application.

2.2 Type of Applicants

Single-State Applicants
Eligible organizations must operate programs only within the state of New Mexico.

National Direct/Multi-State Applicants
Organizations that propose to operate AmeriCorps programs in more than one state need to apply directly to CNCS for Competitive funding consideration.

Federally-recognized Indian Tribes
An Indian Tribe is defined as a federally recognized Indian Tribe, band, nation, or other organized group or community, including any Native village, Regional Corporation, or Village Corporation, as defined under the Alaska Native Claims Settlement Act (43 U.S.C. § 1602), that the United States Government determines is eligible for special programs and services provided under federal law to Indians because of their status as Indians. Indian Tribes also include tribal organizations controlled, sanctioned, or chartered by one of the entities described above.
2.3 Notice of Intent to Apply/Acknowledgement of Receipt Form (Required for application submission)

In order to gauge the number of applications we are likely to receive and to plan more efficiently for technical assistance and application review, applicants must complete and submit the Acknowledgement of Receipt Form located on APPENDIX A of this RFP by 5:00 p.m. Mountain Time, Friday, November 6, 2015. This form may be e-mailed, faxed, or hand delivered to the address listed on the form.

The Acknowledgement of Receipt Form will also be utilized to develop a procurement distribution list for the distribution of written responses to questions.

Submitting a Notice of Intent to Apply by the deadline is mandatory. Applications submitted by applicants who have not submitted a Notice of Intent to Apply by the deadline will not be considered for funding.

2.4 Submission Dates and Times

The closing date for the receipt of all applications under this RFP is Wednesday, December 2, 2015. Electronic applications must be submitted in eGrants, and additional documents must be received in the NMCCV office by 4:00 p.m. Mountain Time on the deadline date. NMCCV staff will date and time stamp proposal packets; the packets will not be opened or reviewed for completeness until after the submission deadline.

2.5 Late Applications

The Commission generally receives more applications than can be funded; therefore, submitting an application in eGrants after the deadline and/or not submitting all required grant application documents will result in disqualification of the application.

2.6 Application and Award Timeline

Listed below are specific and estimated dates and times of actions related to this RFP. The actions with specific dates must be completed as indicated unless otherwise changed by the Commission. In the event that the Commission finds it necessary to change any of the specific dates and times in the calendar of events listed below, it will do so by issuing a supplement to this RFP. There may or may not be a formal notification issued for changes in estimated dates and times. Meeting dates will be posted on the Commission’s Web site at www.dws.state.nm.us/nmccv, and all meetings are publicized as open meetings.

*This RFP should be read together with the AmeriCorps Regulations, 45 CFR §§ 2520-2550, the Notice, Notice Glossary, Application Instructions, and the Performance Measure Instructions which are incorporated by reference. The full regulations are available online at www.ecfr.gov. The TTY number is 800-833-3722. For a printed copy of related material, call 202-606-7508.

**Please note that state applicants that apply to the Commission have different deadlines, more required additional documents and different directions than CNCS. Please ensure that you use this RFP to complete your proposal to NMCCV and not the Notice from CNCS.

2.8 Application Submission

Organizations that propose to operate in a single state should apply directly to the Commission through this RFP. Organizations that propose to operate in more than one state and Tribal organizations apply directly to CNCS.

Proposals must be submitted into the eGrants system and printed (in its entirety) separately in hard copy Proposal Packet and further provided in electronic form as required to be submitted in response to this RFP.

2.9 How to Submit an Application in eGrants

Applicants must submit their applications electronically via the CNCS web-based system, eGrants (egrants.cns.gov). Because it is a unique system, it is recommended that applicants create an eGrants account and begin the application creation process at least three weeks before the deadline. Applicants should draft the application as a word processing document and copy and paste the document into the appropriate eGrants fields no later than 10 days before the deadline. Please note the length of a document in word processing software may be different than what will print out in eGrants. CNCS will consider the number of pages as they print out through eGrants when determining compliance with any page limits in this Notice.

A. New and Recompeting AmeriCorps State Competitive Grant Applicants

Application Fields and Page Limits
In eGrants, applicants will enter text in the following fields:
• Executive Summary
• Program Design
• Organizational Capability
• Cost Effectiveness and Budget Adequacy
• Evaluation Plan
Applications may not exceed 15 pages for the Narratives (18 pages for Multi-Focus Intermediaries, School Turnaround, and Next Gen AmeriCorps applicants). Application content considered in determining page limit compliance includes the Executive Summary, SF 424 Facesheet, and the Narrative Sections contained in the Program Design, Organizational Capacity, and Cost Effectiveness and Budget Adequacy as the pages print out from eGrants. Please note the length of a document in word processing software may be different than what will print out in eGrants. CNCS will consider the number of pages as they print out through eGrants when determining compliance for page limits. CNCS strongly encourages applicants to print out the application from the “Review and Submit” page prior to submission to check that the application does not exceed the page limit. The application page limit does not include the budget, narrative portion of the Evaluation Plan, the Logic Model, performance measures, or the supplementary materials, if applicable.

The Logic Model may not exceed more than three pages when printed from the application.

Reviewers will not consider submitted material that is over the page limits in the printed report, even if eGrants allows an applicant to enter and submit text over the limit. This applies to both the application page limit and the logic model page limit. Do not submit other items not requested in this Notice or Application Instructions. CNCS will not review or return them.

B. Submission of Additional Documents

An application is only complete if it includes all required documentation and is received by the application due date. Incomplete applications will not be considered. All additional required documents should include the applicant organization name and Application ID number at the top of the page and are due by the application deadline at curtis.cannon@state.nm.us. Emails should include in the Subject line, the applicant organization name and Application ID number.

Additional documents may include (if applicable): letter(s) of support for the Governor/Mayor Initiative, evaluation reports, letters from the consortium members for Multi-focused intermediaries, and up to two evaluation briefs, reports, and/or peer reviewed articles if the applicant has a moderate or strong evidence base. School Turnaround AmeriCorps applications must submit the additional documents that are outlined in the Notice Glossary and Appendix.

Additional Documents must also be included in your Proposal Packet.

C. Continuation AmeriCorps State Competitive Grant Applicants

Competitively funded programs must submit their requests for continuation funding for either Year 2 or Year 3 of operation in eGrants. Please see Application Instructions for submitting a continuation request.

If your program is currently in the third and final year of its grant cycle, you must apply using the application instructions for new and recompeting programs.

D. eGrants Assistance

Contact the National Service Hotline at 800-942-2677 or https://questions.nationalservice.gov/app/ask_eg if a problem arises while creating an account or while preparing or submitting an application in eGrants.

National Service Hotline hours are as follows: Mon - Fri, 9 am – 7 pm EST (Jan, Aug, Sept) Mon - Thu, 9 am – 7 pm EST (Oct, Nov, Dec). In addition to those hours, the Hotline will also be open October 30, 31 and November 1, December 4-6 and 11-13 as well as the one weekend prior to the application deadline (January 16-18) from 10:00 a.m. – 7:00 p.m. ET to assist applicants. If you contact the Hotline, be prepared to provide the application ID, organization name, and specify that your organization is applying to the “AmeriCorps State and National Grants FY 2016 NOFO” (Notice of Funding Opportunity).
E. Technical Difficulties
If technical issues prevent an applicant from submitting an application on time, please contact the National Service Hotline prior to the deadline to explain the technical issue and receive a ticket number. If the issue cannot be resolved by the deadline, the applicant must continue working with the National Service Hotline to submit via eGrants. You must then submit a brief paragraph including your eGrants ticket number with your explanation of the technical issues that prevented you from submitting in eGrants by the deadline to the Commission via e-mail to curtis.cannon@state.nm.us before the 4:00 p.m. Mountain Time deadline.

In the event of prolonged unavailability of the eGrants system on the date of submission, the Commission reserves the right to extend the eGrants submission deadline. Any notice of extension of the deadline will be sent to all organizations that submitted a Notice of Intent to Apply and will be posted on the Commission’s website at http://www.dws.state.nm.us/nmccv.

2.10 How to Submit a Proposal Packet

A. Number of Copies
Applicants shall deliver one (1) original and five (5) identical hard copies, six (6) total of their Proposal Binder.

Applicants shall deliver six (6) electronic versions of the proposal (must mirror the hard copy submitted) on USB Thumb Drives each containing the entire Proposal. All Confidential Information must be readily separable on the electronic version and listed as a separate file. If there is a conflict in information on the USB drive and the hard copy proposals the hard copy will serve as the official responses.

B. Proposal Format
All proposals must be submitted as follows:
Typewritten on standard 8 ½ x 11 inch paper (larger paper is permissible for charts, spreadsheets, etc.) and placed within binders with tabs delineating each section.

C. Proposal Content and Organization
The proposal must be organized and indexed in the following format and must contain, at a minimum, all listed items in the sequence indicated. Proposal Binder Outline:

a. Signed Letter of Transmittal
b. Table of Contents
c. Copy of Application as submitted through eGrants
   *To include; Narrative, Evaluation Plan, Performance Measures, Logic Model, Budget, and Supplemental Materials as requested.
d. Response to Specifications
e. Response to Contract Terms and Conditions
f. Applicant’s Additional Terms and Conditions
g. Signed Campaign Contribution Form
h. Signed Employee Health Coverage Form
i. Signed Affidavit pursuant to Governmental Conduct Act (If applicable)
j. Resident Vendor or Resident Veteran Certificate (If applicable)
k. Resident Veterans Preference Certification (If applicable)
l. Pay Equity Reporting
m. Signed In-Kind Contribution and Donation Form
n. Signed Statement of Assurance

Within each section of the proposal, Applicants should address the items in the order in which they appear in this RFP. All forms provided in this RFP must be thoroughly completed and included in the appropriate section of the proposal.
Any proposal that does not adhere to these requirements may be deemed non-responsive and rejected on that basis.

D. Proposal Delivery
Proposals must be addressed and delivered to the Procurement Manager at the address listed below. Proposals must be sealed and labeled on the outside of the package to clearly indicate that they are in response to the AmeriCorps 2016-2017 / RFP# 16-631-7003-00032. Submit packets in person, or via a parcel service to:

Name: Curtis Cannon
Reference RFP: AmeriCorps 2016-2017/RFP# 16-631-7003-00032
Address: Purchasing Bureau
        401 Broadway NE
        Albuquerque, New Mexico 87102

A public log will be kept of the names of all Applicant organizations that submitted proposals. Pursuant to Section 13-1-116 NMSA 1978, the contents of proposals shall not be disclosed to competing potential Applicants during the negotiation process. The negotiation process is deemed to be in effect until the contract is awarded pursuant to this Request for Proposals. Awarded in this context means the final required state agency signature on the contract(s) resulting from the procurement has been obtained.

2.11 Clarification and/or Revisions to the Specifications and Requirements
Any questions concerning this RFP must be submitted in writing by midnight on November 17, 2015. Questions will not be accepted via telephone. Please submit all questions to:

New Mexico Commission for Community Volunteerism
Name: Curtis Cannon
Address: 401 Broadway NE
        Albuquerque, New Mexico 87102
Telephone: (505) 841-8474
Fax: (505) 841-8491
Email: curtis.cannon@state.nm.us

Applicants are expected to raise any questions, exceptions, or additions they have concerning the RFP document by November 17, 2015. All questions asked by applicants with corresponding answers will be released periodically at www.dws.state.nm.us/nmccv in the AmeriCorps Funding section. The final posting of Questions and Answers will occur on November 20, 2015.

If an applicant discovers any significant ambiguity, error, conflict, discrepancy, omission, or other deficiency in this RFP, the applicant should immediately notify the Procurement Manager of such error and request a modification or clarification of this initial RFP.

Any contact with NMCCV staff or Commission Board members concerning this RFP is prohibited, except as authorized by the Procurement Manager during the period from the date of release of the RFP until the Commission Board approves final grant applications for AmeriCorps funding for the 2016-2017 program year.
2.12 Technical Assistance

The Commission intends to provide technical assistance to ensure that strong proposals are developed. The following policies will be followed as a fair process for the provision of technical assistance given available resources:

1. Technical assistance will be equally available to all prospective applicants.
2. The Procurement Manager will only respond to applicants who have reviewed the available written materials and have a specific question to be answered. Questions may only be submitted in writing (see above).
3. The Procurement Manager will only provide answers to specific questions and make general comments regarding the regulations and RFP, as opposed to providing specific programmatic suggestions for a particular applicant.
4. The Procurement Manager or NMCCV staff will not review proposal drafts.
5. In compliance with federal regulations regarding conflict of interest, NMCCV Commission Board members will not provide any form of technical assistance to a potential grant applicant. Instead, they will refer applicants to the Procurement Manager.
6. The Commission Board will provide applicants with technical assistance on entering and submitting proposals in eGrants and will provide guidance to programs on how to access assistance from the eGrants Help Desk.

A. AmeriCorps Informational Webinars

NMCCV has placed a link on our website for a series of AmeriCorps Information Session webinars. These sessions are designed as an introduction to the CNCS’s history and programs and NMCCV’s history, programs and purpose within the State of New Mexico. The AmeriCorps Grant Information Session webinar is for the general public and interested applicants. The Grant Information Session webinar is also designed to go into details of the Notice. AmeriCorps Grant Technical Assistance Session webinars are designed to publically address Frequently Asked Questions (FAQs) and to provide additional grant guidance.

Please visit our website — for exact times and call-in information. We record and place links on our website within 24 hours following each webinar.

NMCCV strongly encourages all applicants (new and re-competing) to attend one Grant Information Session webinar in this extremely competitive year.

*Note: The RFP is required pre-call reading material.

B. Pre-Proposal Conference

A pre-proposal conference will be held as indicated in the sequence of events beginning at 1 P.M. Mountain Time in the Tiwa Building at 401 Broadway NE; Albuquerque, NM 87102. Potential Applicant(s) are encouraged to submit written questions in advance of the conference to the Procurement Manager (see Section 2.11). The identity of the organization submitting the question(s) will not be revealed. Additional written questions may be submitted at the conference. All written questions will be addressed in writing on the date listed in the Sequence of Events. A public log will be kept of the names of Potential Applicant(s) that attended the pre-proposal conference.

Attendance at the pre-proposal conference is highly recommended, but not a prerequisite for submission of a proposal.

C. CNCS and NMCCV Websites

In addition to consulting the Application Instructions, Supplementary Materials, and AmeriCorps regulations as directed in this RFP, applicants are encouraged also to consult the CNCS and NMCCV websites for a schedule of technical assistance webinar calls, and Frequently Asked Questions – that are updated during the competition http://www.nationalservice.gov/build-your-capacity/grants/funding_opportunities and
2.13 Match Requirements

A. Fixed Amount Grants and Education Award Program Grants
There is no specific match requirement for Full Time Fixed Amount, Education Award Program, and AmeriCorps Partnership Challenge grants. The Corporation does not provide all the funds necessary to operate the program; therefore organizations must raise the additional revenue required to operate the program.

B. Cost Reimbursement Grants
A first-time successful applicant is required to match at 24 percent for the first three-year funding period. If the program is re-funded after the first three-year period, and starting with year four, the match requirement gradually increases every year to 50 percent by year 10, according to the minimum overall share chart found in 45 CFR §2521.60 and Pub. L. 113-76, Division H, Title IV, § 402 [https://beta.congress.gov/113/plaws/publ76/PLAW-113publ76.htm] and in below.

Section 121(e)(5) of the National and Community Service Act of 1990, as amended, requires programs that use other federal funds as match for an AmeriCorps grant to report the amount and source of these funds to the Corporation on a Federal Financial Report. To accomplish this, all New Mexico State AmeriCorps grantees/subgrantees must track and be prepared to report on that match to the Commission on a schedule that will be included in your DWS contract, should you be selected for competitive funding.

The living allowance or salary provided to AmeriCorps members in Professional Corps programs (see Section 7-Notice Glossary) does not count toward the matching requirement.

C. Alternative Match
Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in the regulations at 45 CFR §2521.60(b). To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Programs operating solely in New Mexico must send their requests to the Commission for review and approval. The Commission will then forward the approved request to CNCS for consideration.

Applicants that plan to request an alternative match schedule must submit a request directly to curtis.cannon@state.nm.us by the application due date December 2, 2015 at 4:00pm MT.

3 APPLICATION CONTENT

3.1 Assessment Criteria
Each applicant must describe a project that will deploy AmeriCorps members effectively to solve a significant community problem. CNCS urges applicants to submit high quality applications that carefully follow the guidance in this Notice and in the Application Instructions. The quality of an application will be an important factor in determining whether an organization will receive funding.
3.2 Threshold Issues

Applications should reflect that they meet the threshold requirements for the grant type for which they are applying. No applicant should submit an application with less than 20 member slots. If an applicant is applying for a Professional Corps grant, its application should demonstrate that the community in which it will place AmeriCorps members serving as professionals has an inadequate number of said professionals. If an applicant is applying for a Full Time Fixed Amount grant, the application should reflect that only full-time or less than full-time positions serving in a full-time capacity will be permitted. An application for the Governor and Mayor Initiative should clearly reflect that the application is from one Governor, one Mayor, and a minimum of two nonprofits. If the proposed service activities require specialized member qualifications and/or training (for example, tutoring programs: 45 CFR §2522.910-.940), the applicant must describe how the program will meet these requirements. School Turnaround AmeriCorps applicants must meet the threshold requirements outlined in Section 7-Notice Glossary.

Minimum Number of AmeriCorps Members

New and recompeting applicants must submit an application with a minimum of 20 AmeriCorps members. Applications that have less than 20 members will be deemed noncompliant and will not be reviewed.

Strategic Considerations

CNCS will assess an applicant’s strategic considerations. Applicants must check the relevant boxes in the Performance Measure tab in eGrants in order to be considered for CNCS’ assessment of the strategic considerations. Applicants should only check the boxes if the strategic consideration is an intentional part of their program design and the implementation strategies are described in the application.

3.3 eGrants Application Fields

Applicants will be required to complete the following narrative fields in eGrants.

A. Executive Summary (Required - 0 percent)

Please fill in the blanks of these sentences to complete the Executive Summary. Do not deviate from the template below.

The [Name of the organization] proposes to have [Number of] AmeriCorps members who will [what the members will be doing] in [the locations the AmeriCorps members will serve]. At the end of the first program year, the AmeriCorps members will be responsible for [anticipated outcome of project]. In addition, the AmeriCorps members will leverage an additional [number of leveraged volunteers, if applicable] who will be engaged in [what the leveraged volunteers will be doing].

This program will focus on the CNCS focus area(s) of [Focus Area(s)].* The CNCS investment of $[amount of request] will be matched with $[amount of projected match], $[amount of local, state, and federal funds] in public funding and $[amount of non-governmental funds] in private funding.

*If the program is not operating in a CNCS’ focus area, omit this sentence.

Fixed Amount grant applicants (EAP, Fulltime Fixed, and AmeriCorps Partnership Challenge) should list their Other Revenue (see Section 7-Notice Glossary) because they are not required to provide a specific amount of match, but still must raise significant additional resources to operate the program. CNCS will post all Executive Summaries of awarded grant applications on www.nationalservice.gov in the interest of transparency and Open Government.

B. Program Design (50 percent)

Reviewers will consider the quality of the application’s response to the criteria below. Do not assume all sub-criteria are of equal value. School Turnaround AmeriCorps applicants should respond to the additional criteria
in Section 7-Notice Glossary.

1. Problem/Need (9 points)

- The community problem/need is clearly defined and aligns with the proposed intervention.
- The community problem/need is prevalent and severe in communities where members will serve and has been well documented with relevant data.

2. Theory of Change and Logic Model (13 points)

- The applicant’s proposed intervention is clearly articulated including the design, target population, and roles of AmeriCorps members and (if applicable) leveraged volunteers.
- The applicant’s intervention is likely to lead to the outcomes identified in the applicant’s theory of change. The theory of change should be either evidence-informed or evidence-based, meaning that the proposed intervention is guided by the best available research evidence that supports its effectiveness in the evidence section.
- The proposed outcomes represent meaningful progress in addressing the community problem/need identified by the applicant.
- The applicant’s AmeriCorps members will produce significant and unique contributions to existing efforts to address the stated problem.

The logic model shall depict:
- A summary of the community problem/need outlined in the narrative.
- The inputs or resources that are necessary to deliver the intervention, including:
  - Number of locations or sites in which members will provide services
  - Number of AmeriCorps members that will deliver the intervention
- The core activities that define the intervention or program model that members will implement or deliver, including:
  - The duration of the intervention (e.g., the total number of weeks, sessions or months of the intervention)
  - The dosage of the intervention (e.g., the number of hours per session or sessions per week)
  - The target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level)
- The measurable outputs that result from delivering the intervention (i.e., number of beneficiaries served.) Identify which National Performance Measures will be used as output indicators
- Outcomes that demonstrate changes in knowledge/skill, attitude, behavior, or condition that occur as a result of the intervention.

Programs may include short, medium, or long-term outcomes in the logic model. While performance measure outcomes should be consistent with the program’s theory of change, programs are not required to measure all outcomes that are included in the logic model. The Logic Model should identify which National Performance Measures will be used as outcome indicators.

Applicants with multiple interventions should complete one Logic Model chart which incorporates each intervention. Logic model content that exceeds the three pages will not be reviewed.

3. Evidence Base (12 points)

Applicants will be awarded up to 12 points for providing evidence that their proposed intervention will lead to the outcomes identified in the logic model. Applicants shall provide a description of up to two research studies or evaluations that provide evidence that the proposed intervention is effective for the target population and community problem, and should describe how this evidence places them in the highest evidence tier for which
they are eligible. Applicants should pay particular attention to the requirements for each tier of evidence. More points are awarded for higher tiers of evidence.

Applicants requesting consideration for the moderate and strong evidence levels should reference the Submission of Additional Documents section for guidance on the submission of evaluation studies.

All applicants must include as much detailed information as possible in the Evidence section of the application. Applicants are advised to focus on presenting high-quality evidence from two of the strongest and most relevant studies. Studies must be evaluations of specific programs or interventions. Research that does not focus on a specific program or intervention, but rather focuses on a broader issue area or population, will not be considered applicable and will not be reviewed or receive any points.

Applicants must include a description of up to two research studies or evaluations in order to earn points, including the following information:

1) The date of the research or evaluation was completed, and the time period for which the intervention was examined
2) A description of the target population studied (e.g. the demographics)
3) The methodology used in the study (e.g.; outcome study, random assignment, regression discontinuity design , or propensity score matching)
4) A description of the data, data source, and data collection methods
5) The outcomes or impacts examined and the study findings
6) The strength of the findings (e.g. confidence level, statistical power of the study design and statistical significance of findings).

Reviewers will examine the descriptions (and attached studies if relevant) using the following criteria:

a) How closely the intervention evaluated in the studies matches the one proposed by the applicant;
b) The methodological quality and rigor of the studies presented (e.g., sample size and statistical power, internal and/or external validity, use of control or equivalent comparison groups, baseline equivalence and study attrition, etc.);
c) Strength and consistency of the findings, with preference given to findings that show a meaningful and persistent positive effect on participants demonstrated with confidence levels;
d) The date of the study, with a preference towards studies that have been conducted within the last six years.

If the evidence submitted as part of this application does not describe a well-designed and well-implemented evaluation, the applicant will be considered for a lower tier of evidence and related point values.

Requirements associated with the five evidence tiers are described next.

No evidence (0 points) means that the applicant has not provided evidence that they have systematically collected any qualitative or quantitative data to date.

Pre-preliminary evidence (1-2 points) means the applicant has demonstrated data collection experience testing or tracking at least one aspect of its logic model. For example, the applicant has collected systemic and accurate data on one or more of the following: the community need the proposed intervention will address, the program intervention’s activities and services delivered, participation in the intervention by the target population, and/or participant outcomes (for example, performance measurement data or a process evaluation assessing implementation of the intervention.)

The data collection process and results must be described fully and the applicant should explain the link between data collection and the relevant component(s) of its logic model. Evidence for the pre-preliminary tier should be
described in the Evidence section of the application but does not require submission of supplemental documentation.

**Preliminary evidence (3-6 points)** means the applicant has described up to two outcome studies about the intervention that yielded promising results for the proposed intervention or a similar intervention that the applicant will replicate with fidelity to the evaluated program model. The ways to demonstrate preliminary level of evidence are as follows:

- The applicant must describe at least one outcome study that was conducted of their own intervention. This must include a detailed description of the outcome study data from pre and post-tests without a comparison group or post-test comparison between intervention and comparison groups. An outcome study includes data beyond that which is collected as part of routine performance measurement. This description should explain whether the outcome study was conducted internally by the applicant organization or by an entity external to the applicant.

OR

- The applicant must describe at least one random control trial study or quasi-experimental evaluation (e.g. propensity score matching) that found positive results for the same intervention that the applicant plans to replicate. The description should include details about how the intervention studied and the applicant’s proposed approach are the same and how the applicant will replicate the intervention with fidelity to the program model. The study must have been conducted by an entity external to the organization whose program was studied.

OR

- The applicant may submit evidence from both bullets listed above. In this case, the applicant must provide data from an outcome study of an intervention it has previously implemented (see above) and also proposes to modify their program by replicating another random control trial study or quasi-experimental evaluation. Applicants should describe their previous outcome study and should also describe and submit the study (ies) of the proposed evidence-based intervention.

For the purposes of this RFP, “replicate” means that the key elements of the applicant’s intervention are implemented as the evidence-based program model describes (e.g., in terms of content or curriculum, delivery process, and target population), and the applicant’s adaptations are relatively minor. For example, an applicant implementing an intervention using certified teachers to administer the curriculum would not be considered replicating that program with fidelity if it replaces teachers with AmeriCorps members who are not certified teachers, because the documented success of the intervention relied on the specialization of certified teachers.

**Moderate evidence (7-9 points)** means the applicant has submitted up to two well-designed and well-implemented studies that evaluated the same intervention described in this application and identified evidence of effectiveness on one or more key desired outcomes of interest as depicted in the applicant’s logic model. Evidence of effectiveness (or positive findings) is determined using experimental design evaluations (i.e., Randomized Controlled Trials (RCT)) or quasi-experimental design evaluations (QED) with statistically matched comparison (i.e., counterfactual) and treatment groups. The ability to generalize the findings from the RCT or QED beyond the study context may be limited (e.g., single-site). The studies were conducted by an independent entity external to the organization implementing the intervention.

Applicants classifying their evidence as **Moderate** must submit up to two evaluation reports from external sources or evaluations published in peer-reviewed articles as separate attachments.
Current CNCS grantees are required to submit an evaluation report of their CNCS funded program. The CNCS-required evaluation report may count towards one of the two studies required for Moderate evidence tier or may be submitted in addition to this. In the latter case, all three studies will be considered against the review criteria.

If the applicant is not a current grantee, then more than two studies will not be considered.

**Strong evidence** (10-12 points) means the applicant has demonstrated that the intervention has been tested nationally, regionally, or at the state-level (e.g., multi-site) using a well-designed and well-implemented QED or RCT. Alternatively, the proposed intervention’s evidence may be based on multiple (up to two) well-designed and well-implemented QEDs or RCTs in different locations or with different populations within a local geographic area. The overall pattern of study findings is consistently positive. Findings from the RCT or QED studies may be generalized beyond the study context. The studies were conducted by an independent entity external to the organization implementing the intervention.

Applicants classifying their evidence as **Strong** must submit up to two evaluation reports from external sources or evaluations published in peer-reviewed articles as separate attachments.

Current CNCS grantees are required to submit an evaluation report of their CNCS funded program. The CNCS-required evaluation report may count towards one of the two studies required for Moderate evidence tier or may be submitted in addition to this. In the latter case, all three studies will be considered against the review criteria.

If the applicant is not a current grantee, then more than two studies will not be considered.

**4. Notice Priority (3 points)**

- The applicant proposed program fits within one or more of the 2016 AmeriCorps funding priorities as outlined on page 9 and more fully described in the Notice Glossary.
- The proposed program meets all of the requirements detailed on page 9 and in the Notice Glossary.

**5. Member Training (4 points)**

- AmeriCorps members will receive high quality training to provide effective service.
- AmeriCorps members and volunteers will be aware of, and will adhere to AmeriCorps requirements including the rules regarding prohibited activities (see Section 7-Notice Glossary).

**6. Member Supervision (2 points)**

- AmeriCorps members will receive high quality guidance and support from their supervisor to provide effective service.
- AmeriCorps supervisors will be adequately trained/prepared to follow AmeriCorps and program regulations, priorities, and expectations.

**7. Member Experience (3 points)**

- AmeriCorps members will gain skills and experience as a result of their training and service that can be utilized and will be valued by future employers after their service term is completed.
- AmeriCorps members will have access to meaningful service experiences, including opportunities for reflection and connection to the broader National Service network.
- The program will recruit AmeriCorps members from the geographic or demographic communities in which the programs operate.
8. Commitment to AmeriCorps Identification (2 points)

- Members will know they are AmeriCorps members.
- Staff and community members where the members are serving will know they are AmeriCorps members.
- AmeriCorps members will be provided with and will wear service gear that prominently displays the AmeriCorps logo daily.

C. Organizational Capability (25 percent)
Reviewers will consider the quality of the application’s response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Organizational Background and Staffing (10 points)

- The organization has the experience, staffing, and management structure to plan and implement the proposed program.
- The organization has adequate experience administering AmeriCorps grants or other federal grants effectively.
- The organization has sufficiently engaged community members and partner organizations in planning and implementing its intervention.

As documentation of community support and commitment to the program please procure, keep on file, but do not submit to CNCS, letter(s) from the applicant’s most significant community partner(s). The letter(s) should include what the partner(s) see as the benefit to the community provided by the applicant’s AmeriCorps members and what activities would not happen without the AmeriCorps members.

2. Compliance and Accountability (15 points)

- The applicant’s organization, in implementation and management of its AmeriCorps program, will prevent and detect compliance issues.
- The applicant will hold itself, subgrantees, and service site locations (if applicable) accountable if instances of risk or noncompliance are identified.
- The organization will comply with AmeriCorps rules and regulations including those related to prohibited and unallowable activities at the grantee, subgrantee, and service site locations (if applicable).
- The AmeriCorps members service will not duplicate, displace, or supplant volunteers, staff and/or interns.

D. Cost Effectiveness and Budget Adequacy (25 percent)
Reviewers will consider the quality of the application’s response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Cost Effectiveness (18 points)

- The budget is sufficient to carry out the program effectively.*
- The budget aligns with the applicant’s narrative.*
- The program design is cost effective and the benefits justify the cost.
- The applicant has raised or describes an adequate plan to raise non-CNCS resources to fully support the program.
- The applicant, if recompeting, has a lower cost per Member Service Year (MSY —see Section 7-Notice Glossary) than approved in previous grants, or provides a compelling rationale for the same or increased cost including why this increase could not be covered by the grantee share.
*Program costs not included in the formal budget, including for Fixed Price and Partnership Challenge grantees, must be described in this section in sufficient detail to allow reviewers to assess their sufficiency and alignment.

Having a low cost per Member Service Year (MSY) is a competitive advantage. New applicants that submit with a low cost per MSY and recompeting applicants that submit with a lower cost per MSY than previously funded may receive higher priority for funding. Applicants requesting a higher cost per MSY than funded in previous years must justify their requests. If an applicant requests above the maximum cost per MSY (see Section 3.6), it must justify its request. Please note that such requests are rarely approved.

2. Budget Adequacy (7 points)

- Budget is submitted without mathematical errors and proposed costs are allowable, reasonable, and allocable to the award.
- Budget is submitted with adequate information to assess how each line item is calculated.
- Budget is in compliance with the budget instructions.
- Match is submitted with adequate information to support the amount written in the budget.

Applicants must complete the budget and ensure the following information is in the budget narrative (requested information in the budget screens):

- Identify the non-CNCS funding and resources necessary to support the project.
- Indicate the amount of non-CNCS resource commitments, type of commitments (in-kind and/or cash) and the sources of these commitments.

E. Evaluation Plan (Required for recompeting grantees - 0 percent)

If the applicant is competing for the first time, please enter N/A in the Evaluation Plan field since it pertains only to recompeting grantees. If the applicant is recompeting for AmeriCorps funds for the first time (see definition of “recompeting” below) the program must submit its evaluation plan in the Evaluation Plan field in eGrants. If the applicant is recompeting for a subsequent time, the program must submit its evaluation report via email to curtis.cannon@state.nm.us by the application deadline, as well as an evaluation plan for the next three-year period in the Evaluation Plan field in eGrants. Evaluations plans submitted outside of eGrants will not be reviewed.

Evaluation plans must include as much information as possible for each of the following (see Frequently Asked Questions: Evaluation, available at http://www.nationalservice.gov/resources/evaluation/cnsc-evaluation-policies):

- A short description of the theory of change - why the proposed intervention is expected to produce the proposed results
- Outcome of interest - clear and measurable outcomes that are aligned with the theory of change and will be assessed during the evaluation
- Research questions to be addressed by the study - concrete research questions (or hypotheses) that are clearly connected to the outcomes
- Study components – a) a proposed research design for the evaluation including a rationale for the design selected, an assessment of its strengths and limitations, and a description of the main components; b) description of the sampling methods, measurement tools, and data collection procedures, and c) an analysis plan
- Qualifications needed for the evaluator
- The estimated budget.

For more information about evaluation plans visit the CNCS Knowledge Network’s Evaluation Resources: http://www.nationalservice.gov/resources/evaluation/planning-evaluation.
The evaluation requirements differ depending on the amount of the grant, as described in 45 CFR §2522.710:

- If the applicant is a State/Territory subgrantee and/or National Direct Grantee (other than an Education Award Program grantee), and its average annual CNCS program grant is $500,000 or more, it must arrange for an external evaluation of the program, and it must submit the evaluation with any subsequent application to CNCS for competitive funds as required in 45 CFR §2522.730.
- If the applicant is a State/Territory subgrantee and/or National Direct Grantee whose average annual CNCS program grant is less than $500,000, or an Education Award Program Grantee, it must conduct an internal or an external evaluation of the program, and it must submit the evaluation with any subsequent application to CNCS for competitive funds as required in 45 CFR §2522.730.

A program will be considered a recompeting application if it satisfies the CNCS definition of “same project” (see Section 7-Notice Glossary) and has been funded competitively for at least one complete three-year cycle. If the project satisfies the definition of same project and the applicant has completed one three-year cycle, it will be required to submit an evaluation plan. If the project satisfied the definition of same project and the applicant has completed two or more three-year cycles, the applicant will be required to submit an evaluation report as well as an evaluation plan for the upcoming 3 year grant. If the project does not satisfy the definition of recompeting, it will not be required to submit an evaluation plan, or completed evaluation report.

The Evaluation Plan field of eGrants does not count towards the page limit of the application; however, it does have a set character limit. Applicants should print out the plan to ensure the narrative does not exceed the character limits when entered in eGrants.

State/Territory subgrantees and/or National Direct Grantees with an average annual CNCS program grant of $500,000 or more that are recompeting for funds are eligible to apply for approval of an alternative evaluation approach. Grantees requesting approval of an alternative evaluation approach should submit a request for approval of an alternative evaluation approach along with their evaluation plan in the Evaluation Summary or Plan field in eGrants. The request should clearly explain: (a) the evaluation constraints faced by the program, (b) why the proposed approach is the most rigorous option feasible, and (c) how the proposed alternative approach will help the grantee build their evidence base. Evaluation plans should include, at a minimum, the required elements listed in this Notice. The evaluation plan must be consistent with the information submitted in the competitive funding application and in the request for approval of an alternative evaluation approach. More information on alternative evaluation approaches can be found at:

If the request for the alternative evaluation approach and the evaluation plan itself will exceed the character limit of the evaluation summary or plan field in eGrants, the applicant should do the following:

- Enter the evaluation plan in the evaluation summary or plan filed in eGrants.
- Include a note in the evaluation summary or plan field stating that the applicant is requesting an alternative evaluation approach.
- Include the alternative evaluation approach at the END of the application narrative with the heading “REQUEST FOR ALTERNATIVE EVALUATION APPROACH.” This section of the application narrative will not count against the page limit.

F. Amendment Justification (0 percent)
Enter N/A. This field will be used if the applicant is awarded a grant and needs to amend it.

G. Clarification Information (0 percent)
Enter N/A. This field will be used to enter information that requires clarification in the post-review period.
H. Continuation Changes (0 percent)
Enter N/A. This field will be used to enter changes in the application narratives in continuation requests.

3.4 Additional RFP Specifications
Required additional documents to be included in proposal package, if applicable.

A. Acknowledgement of Receipt Form (Pass/Fail)
Vendors must complete the above mentioned form to serve as their mandatory Letter of Intent.

B. Universal Identifier (Pass/Fail)
Applications must include a Dun and Bradstreet Data Universal Numbering System (DUNS) number and register with the Central Contractor’s Registry (CCR). The DUNS number does not replace an Employer Identification Number.

DUNS numbers may be obtained at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online: http://fedgov.dnb.com/webform.

The website indicates a 24-hour e-mail turnaround time on requests for DUNS numbers; however, we suggest registering well in advance of the application due date. Expedited DUNS numbers may be obtained by following instructions found here: http://smallbusiness.dnb.com/establish-your-business/12334338-1.htm l.

CCR is the primary registrant database for the U.S. Federal Government. CCR collects, validates, stores, and disseminates data in support of Federal agency contracts, grant awards, cooperative agreements, and other forms of federal assistance. All grant recipients are required to maintain a valid registration, which must be renewed annually.

We urge applicants that are not already registered with the CCR to begin the registration process immediately in order to avoid any delays in submitting applications. Applicants must have a DUNS number in order to register with the CCR. It typically takes 3-5 days to finalize CCR registration. To register online go to www.sam.gov.

C. Resident Business or Resident Veterans Preference (Max 5% for Resident Business/10% for Veterans)
To be awarded the points Applicants must include a copy of their preference certificate in this section. In addition for resident Veterans Preference the attached certification Form APPENDIX G must accompany any RFP and any business wishing to receive the preference must complete and sign the form.

D. Financial Audit/Information (Pass/Fail)
Applicants for new funding must provide their most recent A-133 audit, their organization’s financial audit, or other financial statements if they have not had a formal audit. All others must provide a copy of their most current audit.

E. Letter of Transmittal (Pass/Fail)
The Applicants proposal must be accompanied by the Letter of Transmittal Form located in APPENDIX F. The form must be completed and must be signed by the person authorized to obligate the company. The letter of transmittal MUST include:
   a. Identify the submitting organization;
   b. Identify the name, title, telephone, and e-mail address of the person authorized by the organization to contractually obligate the organization;
   c. Identify the name, title, telephone, and e-mail address of the person authorized to negotiate the contract on behalf of the organization;
d. Identify the names, titles, telephone, and e-mail addresses of persons to be contacted for clarification;

e. Identify if sub-contractors will be used in the performance of the contract award.

f. Describe any relationship with any entity with which will be used in the performance of this awarded contract.

g. Identify the following with a check mark and signature where required:

h. Explicitly indicate acceptance of the Conditions Governing the Procurement stated in Section VII,A:

i. Acceptance of Section V of this RFP

j. Acknowledge receipt of any and all amendments to this RFP.

k. Be signed by the person authorized to contractually obligate the organization;

F. Campaign Contribution Disclosure Form (Pass/Fail)

Applicant must complete and sign the Campaign Contribution Disclosure Form located at Appendix B whether any applicable contribution has been made or not. This signed unaltered form must be submitted with your proposal whether an applicable contribution has been made or not.

G. Form PE10-249 (Pass/Fail)

Applicant must complete and sign the Form PE10-249 located within the New Mexico State Purchasing Division Website which includes links to New Mexico Pay Equity Initiative information and current forms at: http://www.generalservices.state.nm.us/statepurchasing/Pay_Equity.aspx. This signed unaltered form must be submitted with your proposal.

H. New Mexico Employees Health Coverage Form (Pass/Fail)

Applicant must complete and sign the New Mexico Employees Health Coverage Form located at Appendix D. This signed unaltered form must be submitted with your proposal. The Applicant must agree with the terms and submit a signed New Mexico Employees Health Coverage Form with the submittal of their proposal.

3.6 Funding Restrictions

A. Types of Grants

The purpose of this document is to provide interested parties with information to enable them to prepare and submit a proposal for AmeriCorps*State funding for the creation, expansion, or enhancement of programs that meet the requirements of the AmeriCorps national service program. The State as represented by the Commission intends to use the results of this process to award contracts for AmeriCorps*State national service programs beginning in September 2016. These programs include AmeriCorps*State Competitive, Professional Corps, Full-Time Fixed-Amount (Non-EAP), and Education Award Program (EAP) Fixed-Amount grants.

State AmeriCorps applications submitted to the Commission for recommendation can be structured on a cost reimbursement or fixed amount basis. The Commission and Corporation will not provide both types of grants for the same project in one fiscal year.

New applicants are eligible to apply for cost reimbursement and Education Award Program (EAP) grants but not eligible to apply for fixed amount grants. Existing subgrantees/operating sites of fixed amount grantees that can demonstrate a track record and capacity to manage a fixed amount grant are considered to have AmeriCorps experience and therefore can apply for fixed amount grants in response to this RFP.

*CNCS’s assumption is that Professional Corps will be covering the operating expenses associated with the AmeriCorps program through non-CNCS funds and thus will not be requesting operating funds as part of their applications. CNCS will consider requests for operating funds of up to $1,000 per MSY if an applicant is able to demonstrate in its narrative and supporting budget materials significant organizational financial need and substantial challenges to raising non-CNCS resources.

**B. Member Living Allowance**
The proposed budget must include a living allowance for full-time members between $12,530 (minimum) and $25,060 (maximum) per member except as noted below. A living allowance is not considered a salary or a wage.
Cost reimbursement programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in the table below. For Cost Reimbursement grants, the amount must be included in the proposed budget as either Corporation or grantee/subgrantee share. (EXCEPTION: as noted in Section B.1. and B.3.)

While fixed amount grant applicants are not required to submit detailed budgets, they are still required to provide a living allowance that complies with the minimum and maximum requirements to members (EXCEPTION: as noted in section B.2. and B.3.) Most fixed amount grant applicants are not required to indicate that amount in the application and should request those positions as “without living allowance” in the budget.

1. **Exceptions to the Living Allowance Requirements** If a program existed prior to September 21, 1993, a living allowance is not required. If an applicant chooses to offer a living allowance, it is exempt from the minimum requirement of $12,530, but not the maximum requirement of $25,060.

2. **EAP Grantees** are not required to provide a living allowance, but if a living allowance is provided, it must comply with the minimum and maximum requirements set forth in the Living Allowance Table above.

3. **Professional Corps Grantees** must provide members a living allowance or salary, which must meet the minimum, but may exceed the maximum living allowance set in the Living Allowance Table above. Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget. School Turnaround AmeriCorps EAPs may exceed the maximum living allowance.

### C. Maximum Cost per Member Service Year (MSY)

Maximum Costs per MSY are set forth in the table below. The CNCS cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested. It does not include child care or the value of the education award a member may earn. The maximum amount an applicant may request from CNCS per MSY is determined on an annual basis.

New and recompeting State Commission subgrantees/applicants must not exceed the maximum cost per MSY for their grant type.

* The Corporation’s assumption is that Professional Corps will be covering the operating expenses associated with the AmeriCorps program through non-CNCS funds and thus will not be requesting operating funds as part of their applications. CNCS will consider operating funds of up to $1,000 per MSY if an applicant is able to demonstrate in
its narrative and supporting budget materials significant organizational financial need and substantial challenges to raising non Corporation resources.

**Partnership Challenge applicants should apply as an EAP program in eGrants but will request $0 cost per MSY.**

Programs operating in rural communities (see Section 7-Notice Glossary) and programs that recruit opportunity youth as AmeriCorps members may request up to $13,930 cost per MSY for the AmeriCorps members that will be serving in rural areas or who are opportunity youth. School Turnaround AmeriCorps applicants serving exclusively in rural schools may request up to $15,000 cost per MSY. All applicants must include a compelling case as to why the applicant’s cost per MSY must be higher.

D. **Amount of the Segal AmeriCorps Education Award for FY 2016**

AmeriCorps members serving in programs funded through this RFP who successfully complete a term of service will receive an Education Award from the National Service Trust of $5,775 for a year of full-time service, with correspondingly smaller awards for less than full-time service. The amount of the Education Award is linked to the value of the Pell Grant, and is therefore subject to change after 2016. A member has seven years after his or her term of service to use the Education Award.

4 **APPLICATION REVIEW INFORMATION**

The assessment of applications involves a wide range of factors and considerations. NMCCV and CNCS will engage external reviewers to provide insight and input with respect to eligible applications. In addition, NMCCV and CNCS staff will apply their experience and expertise in evaluating applications. In the end, the review and selection process will produce a diversified set of high-quality programs that represent the priorities and selection factors described in this RFP.

4.1 **Selection Criteria**

The review and selection process is designed to accomplish the following goals:

A. Identify eligible applications that satisfy the following considerations:
   - High alignment with narrative assessment criteria
   - High alignment with priorities outlined in this Notice, including priority-specific requirements as detailed in the Section 7-Notice Glossary
   - Relative risk and opportunity.

B. Consider:
   - State/Territory Commission rank and recommendations on state applicants
   - State/Territory Commission input on National Direct applications, except federally-recognized Indian Tribes.

C. Yield a diversified portfolio based on the following strategic considerations:
   - Meaningful representation of
     - Geographic diversity
4.2 NMCCV Application Review

The NMCCV application review marks the first phase of the application review process.

A. Preliminary Staff Review – Timely Submission
NMCCV staff will date and time stamp required grant application document packets upon receipt; the packets will not be reviewed for completeness until after the submission deadline. Applications submitted by eligible organizations by the deadline and that include all required grant application documents will continue in the selection process. **Submitting an application in eGrants after the deadline and/or not submitting all required grant application documents will result in disqualification of the application.**

B. Proposal Review for Continuation Competitive Applications
Since CNCS currently funds these projects, these organizations are only required to submit continuation requests and required additional documents that will be reviewed by NMCCV staff. A recommendation for funding will be made to the Commission Board without peer review.

After the Commission Board approves the continuation applications, the applications will then be sent to CNCS for review. CNCS will make the final determination as to whether an applicant will continue to receive funding or will be declined.

C. Proposal Review for All Other Applications (not Continuations)
If your organization is not applying for Continuation Competitive, Continuation EAP, Continuation Full-Time Fixed-Amount, or Continuation Professional Corps funding, your organization will be submitting a New or Recompete application. After review for timely submission, the next steps are the concurrent state level peer review process and the NMCCV staff technical review process. New and recompete applications are peer reviewed by outside experts including community service practitioners, educators, administrators, former national service participants, and specialists in the areas of the environment, public safety, education, homeland security, and other human needs to evaluate the quality of the applications. If you are a current AmeriCorps Grantee, do not assume that peer reviewers are familiar with your program.

NMCCV staff complete a technical review of all sections of the application narrative, performance measures, and budget. Staff will prepare funding recommendations to the Commission Board based on the results of the staff technical review and state level peer review. Following final Commission Board approval of applications, staff may request technical changes to applications.
D. Post Review Quality Control
After the external peer reviewers complete their assessment, staff will review the results for fairness and consistency. Some applications may be selected for a Quality Control assessment. This additional level of review may be used to assess:

- Applications submitted by high-performing current Grantees that received a low score in External Review.
- Applications for which there are significant peer review anomalies.
- Applications with discrepancies identified during the peer review.

Quality Control reviewers may be NMCCV staff not involved in the technical review of the application and/or individuals with qualifications similar to those of peer reviewers. The Quality Control reviewer(s) will provide an assessment of the application’s key strengths and weaknesses.

E. Ranking of Applications for New and Recompete Competitive Pool Consideration
Prior to sending New and Recompete applications to the federal level for competitive pool review, CNCS requires state commissions to rank proposals.

The proposed ranking of New and Recompete applications will be provided to the Commission Board as part of the January 7, 2016 meeting. Average application score and past performance scoring for existing programs will be considered for ranking of Competitive applications. Past Performance scoring percentage and fit in New Mexico’s portfolio criteria will be used to break any tie for the number one ranking position. Fit in New Mexico’s portfolio criteria includes, but is not limited to: program location, program focus, cost efficiency, public or private non-profit registered in New Mexico, and staff capacity.

Each applicant may be asked to provide a short, 5-minute presentation to the Commission Board. The presentation should summarize the application. Commission Board members may also ask applicants questions regarding their application.

All applications approved by the Commission Board will then be sent to CNCS for review.

4.3 CNCS Application Review
The CNCS application review is the second phase of the application review process.

A. Compliance and Eligibility Review
CNCS staff will review all applications submitted to CNCS to determine compliance with eligibility, deadline, and completeness requirements. In order to be compliant and advance to Phase One Review, an applicant must satisfy all the following requirements:

- Submit a Notification of Intent to Apply by the deadline
- Submit an application by the application submission deadline
- Submit an application that is complete, in that it contains all required elements and follows the instructions provided in this Notice
- Submit an application with a minimum of twenty AmeriCorps members.

B. CNCS Phase One Review
There are three components to Phase One: 1) An assessment of the applicant’s past performance for the same program model (if applicable), 2) a review of Theory of Change and Logic Model portion of the application narrative, and 3) a review of the Evidence Base portion of the Application. Each application will be read by several CNCS staff.

State Commission staff will assess their recompeting subgrantees’ past performance and submit those assessments to CNCS. CNCS will assess its recompeting direct grantees related to past performance. This assessment is in addition to the evaluation of the applicant’s eligibility for funding or the quality of its application on the basis of the Selection Criteria. Results from this assessment will inform funding decisions. In evaluating
programmatic performance, CNCS will consider the following for applicants that are current formula and competitive grantees and are submitting applications for the same program model:

- Grant progress reports – attainment of Performance Measures
- Enrollment and retention
- Compliance with 30 day enrollment and exit requirements in the AmeriCorps portal
- Site visit or other monitoring findings (if applicable)
- Significant opportunities and/or risks of the grantee related to national service
- Commission Rank

External reviewers will review and assess the evidence base criteria in the Notice.

C. Selection of Applications for Phase Two Review
Applications will advance to Phase Two Review based on the results of the Phase One Review, as well as consideration of the priorities and the strategic considerations outlined in the Notice. Those applications that do not advance to Phase Two Review will not be recommended for funding.

D. Phase Two Review
Several CNCS staff will assess the remaining portions of the application on the basis of the selection criteria. Some applicants may receive requests to provide clarifying information and/or make changes to their application including changes to the budget. This information is used by CNCS staff in making final recommendations. Applications may be recommended for funding even if they are not asked clarification questions. A request for clarification does not guarantee a grant award. Failure to respond to requests for additional information in response to clarification questions in a timely fashion will result in the removal of applications from consideration.

E. Financial and Risk Assessment Evaluation
CNCS staff will evaluate the risks to the program posed by each applicant, including conducting due diligence to ensure an applicant's ability to manage federal funds. This evaluation is in addition to the evaluation of the applicant's eligibility for funding, the quality of its application on the basis of the Selection Criteria, and the assessment of programmatic past performance. Results from this evaluation will inform funding decisions. If CNCS determines that an award will be made, special conditions that correspond to the degree of risk assessed may be applied to the award. In evaluating risks, CNCS may consider the following, but not limited to:

- Financial stability
- Quality of financial management systems and ability to meet the administrative standards prescribed in applicable OMB Guidance
- History of performance as reflected in the applicant's record in managing previous CNCS awards, cooperative agreements, or procurement awards, including:
  - Timeliness of compliance with applicable reporting requirements,
  - If applicable, meeting matching requirements, and
  - If applicable, the extent to which any previously awarded amounts will be expended prior to future awards
- Information available through any OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as—
  - Federal Awardee Performance and Integrity Information System (FAPIIS),
  - Dun and Bradstreet, or
  - “Do Not Pay”
- Reports and findings from single audits performed under OMB Circular A-133 and findings of any other available audits
- IRS Tax Form 990
- An applicant organization's annual report
• Publicly available information including information from an applicant organization's website;
• Any other information listed in 45 CFR § 2522.140; and
• The applicant’s ability to effectively implement statutory, regulatory, or other requirements.

F. Selection for Funding
Applicants that do not advance to Phase Two will not be selected for funding. The CEO will select the final portfolio, based on staff recommendations on the quality of response (including clarification responses) against the criteria, programmatic and financial risk assessments, external review input, Notice’s priorities and strategic considerations.

G. Feedback to Applicants
Following grant awards, each applicant will receive the summary comments of Phase One and, if applicable, Phase Two Review pertaining to their application. Feedback will be based on the review of the original application and will not reflect any information that may have been provided in response to clarification questions, if any.

CNCS is committed to transparency in grantmaking. The following information pertaining to this competition for new and recompeting applications will be published on the CNCS website (http://www.nationalservice.gov/about/open-government-initiative/transparency/results-grants-competition), within 90 business days after all grants are awarded:
• A blank template of the internal review form.
• A blank template of the external review form of the Evidence Base.
• A list of all compliant applications submitted.
• Executive summaries of all compliant applications submitted by the applicants as part of the application.
• Data extracted from the Standard Form 424 Face Sheet (SF424) and Program Narrative submitted by applicants for successful applications.
• Summaries of external reviewers’ comments for successful applications.
• A list of external reviewers who completed the review process.

4.4 Anticipated Announcement and Federal Award Dates
CNCS will award grants following the grant selection announcement. Depending on the availability of funding, CNCS expects that successful State and Territory Commissions and National Directs will be notified no later than May 13, 2016, contingent on timely full year appropriations.

5 AWARD ADMINISTRATION INFORMATION

5.1 Federal Award Notices
Applicants will be notified via email as to funding decisions. This notification is not an authorization to begin grant activities. The Notice of Grant Award signed by the grant officer is the authorizing document for grant activities.

5.2 Administrative and National Policy Requirements

Documents that Govern the Grant
The Notice of Grant Award incorporates the approved application as part of a binding commitment under the grant as well as the AmeriCorps regulations and grant provisions.

Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
Grants under this program are subject to 2 CFR 200 and CNCS regulations issued to implement Part 200. Those regulations supersede and streamline requirements from OMB Circulars A-21, A-87, A-110, and A-122 (which have been placed in OMB guidances); Circulars A-89, A-102, and A-133; and the guidance in Circular A-50 on Single Audit Act follow-up.
5.3 National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. The law requires recipients to conduct and document NSCHCs on any person (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend or education award through a program receiving CNCS funds. An individual is ineligible to serve in a position that receives such CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award.

Unless NMCCV or CNCS has provided a recipient with a written exemption or written approval of an alternative search procedure, recipients must perform the following checks:

All award-funded staff, national service participants, and volunteers must undergo NSCHCs that include:

A. A nationwide name-based search of the National Sex Offender Public Website (NSOPW); and

B. Either
   • A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work; and
   • A fingerprint-based FBI criminal history check.

Special Rule for Persons Serving Vulnerable Populations. Award-funded staff, national service participants, and volunteers with recurring access to vulnerable populations (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

A. A nationwide name-based check of the NSOPW; and

B. Both
   • A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work; and
   • A fingerprint-based FBI criminal history check.

See 45 C.F.R. § 2540.200–§ 2540.207 and http://www.nationalservice.gov/resources/criminal-history-check for complete information and FAQs. Vendor checks (checks performed by commercial vendors) are often noncompliant with these requirements. Inability of a grantee to demonstrate that they have conducted an NSOPW and other required criminal history checks, as specified in CNCS’s regulations, may result in disallowance of all or part of the costs associated with noncompliance.

5.4 Use of Material

To ensure that materials generated with CNCS funding are available to the public and readily accessible to grantees and non-grantees, CNCS reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so. 45 CFR § 2543.36; 2541.30

5.5 Reporting

Cost reimbursement grantees are required to provide mid-year and end of year progress reports, semi-annual financial reports, and an internal or external evaluation report as required by the AmeriCorps regulations §§2522.500-2522.540 and §§2522.700-2522.740.

Fixed Amount grantees are required to provide mid-year and end of year progress reports and an internal or external evaluation report. All grantees, including Fixed Amount grantees, submit quarterly financial reports to the U.S. Department of Health and Human Services Payment Management System.

If you receive an award directly from CNCS, you will be required to report at www.FSRS.gov on all subawards.
over $25,000 and may be required to report on executive compensation for your organization and for your subgrantees. You must have the necessary systems in place to collect and report this information. See 2 CFR. Part 170 for more information and to determine how these requirements apply.

While applications will not be evaluated on these criteria, grantees will be expected to have data collection and data management policies and practices that provide reasonable assurance that they are providing CNCS with high quality performance measure data. At a minimum, grantees should have policies and practices which address the following five aspects of data quality:

- The data measures what it intends to measure;
- The grantee collects data in a consistent manner;
- The grantee takes steps to correct data errors;
- The grantee ensures that the data reported is complete; and
- The grantee actively reviews data prior to submission.

Progress Report Data

In addition to semi-annual reporting outcomes and progress toward the grant approved performance measures, additional data must be reported annually (as applicable).

5.6 Re-Focusing of Funding

NMCCV and CNCS reserve the right to re-focus funding in the event of disaster or other compelling need for service.

5.7 Appeals Process

The appeals process for Competitive decisions should be released by CNCS when those funding announcements are made. Applicants wishing to file an appeal should work with the Commission to meet the appeal requirements outlined by CNCS.

Applicants can only protest or appeal violations of procedures to the Commission that are outlined in this RFP. Ranking and scoring by the Peer Review Committee is not subject to protest or appeal. Notice of intent to protest and any protests must be made in writing and must include the name and address of the protestor and the request for proposal number. Individuals should make their protests as specific as possible and should fully identify the procedural issue being contested.

Any protest by an Applicant must be timely and in conformance with Section 13-1-172 NMSA 1978 and applicable procurement regulations. The 5 calendar day protest period shall begin on the day following the issue of notice of intent to award and will end at 5:00 pm Mountain Standard Time/Daylight Time on the 5th day. The protest must be delivered to:

Marshall Ray, General Counsel and Deputy Cabinet Secretary
New Mexico Department of Workforce Solutions
401 Broadway NE
Albuquerque, NM 87102

Protests received after the deadline will not be accepted.
6  GENERAL REQUIREMENTS

1-Acceptance of Conditions Governing the Procurement
Potential Offerors must indicate their acceptance of the Conditions Governing the Procurement section in the letter of transmittal. Submission of a proposal constitutes acceptance of the Evaluation Factors contained in Section 3 of this RFP.

2-Incurring Cost
Any cost incurred by the potential Offeror in preparation, transmittal, and/or presentation of any proposal or material submitted in response to this RFP shall be borne solely by the Offeror. Any cost incurred by the Offeror for set up and demonstration of the proposed equipment and/or system shall be borne solely by the Offeror.

3-Offeror’s Responsibility
Any contractual agreement that may result from this RFP shall specify that the Offeror is solely responsible for fulfillment of all requirements of the contractual agreement with a state agency which may derive from this RFP. The state agency entering into a contractual agreement with a vendor will make payments to only the prime contractor.

4-Subcontractors/Consent
The use of subcontractors is allowed. The Offeror shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the Offeror must receive approval, in writing, from the agency awarding any resultant contract, before any subcontractor is used during the term of this agreement.

5-Amended Proposals
An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. The Agency personnel will not merge, collate, or assemble proposal materials.

6-Offeror’s Rights to Withdraw Proposal
Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror’s duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations.

7-Proposal Offer Firm
Responses to this RFP, including proposal prices for services, will be considered firm for one hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8-Disclosure of Proposal Contents
a. Proposals will be kept confidential until negotiations and awards are completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is
clearly marked proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:

b. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.

c. Confidential data is restricted to:
   i. confidential financial information concerning the Offeror’s organization; and
   ii. data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, Sections 57-3A-1 to 57-3A-7 NMSA 1978.
   iii. PLEASE NOTE: The price of products offered or the cost of services proposed shall not be designated as proprietary or confidential information.

If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, the Procurement Manager shall examine the Offeror’s request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

9-No Obligation
This RFP does not obligate the State of New Mexico or any of its agencies to use any of the services offered by any offeror until a valid written contract is awarded and approved by appropriate authorities.

10-Termination
This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the agency determines such action to be in the best interest of the Agency or State of New Mexico.

11-Sufficient Appropriation
Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be effected by sending written notice to the contractor. The Agency’s decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12-Legal Review
The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13-Governing Law
This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14-Basis for Proposal
Only information supplied, in writing, by the Agency through the Procurement Manager or in this RFP should be used as the basis for the preparation of Offeror’s proposals.

15-Contract Terms and Conditions
The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in Sample Contract Appendix C. However, the contracting Agency reserves the right to negotiate with any Offeror provisions in addition to those contained in this RFP (Sample Contract). The contents of this RFP, as revised and supplemented, and the successful Offeror’s proposal will be incorporated into and become part of any resultant contract.
The Agency discourages exceptions to contract terms and conditions in the *RFP* (Sample Contract). Exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions in *RFP* (Sample Contract) APPENDIX C, strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose specific alternative language. The Agency may or may not accept the alternative language. General references to the Offeror’s terms and conditions or attempts at complete substitutions are not acceptable to the Agency and will result in disqualification of the Offeror’s proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

**16-Term of New Mexico State Contract**

The contracts awarded in response to this *RFP* will be for no more than 45 months consisting of three 15-month contract periods that are programmatically and fiscally independent with a start date no earlier than September 1, 2016 and an end date no later than December 31, 2016.

The 15-month contract periods allow the Offeror a covered period to recruit members and remain compliant with federal regulations which provide full-time AmeriCorps members up to twelve months to complete their term of service. The start date for each fifteen month contract period may be adjusted should a revised scope and approved program plan deem it operationally justified. Expenses incurred in a 15-month contract period may only be reimbursed with funds granted for that same 15-month contract period. Contract start dates should be September 1, 2015 or after and the contract end date may not be after December 31, 2016. Applicants proposing a contract start date earlier than September 1, 2015 (e.g., programs with an education focus) must receive written approval from the Commission.

In approving a multi-year project, the Commission will approve initial funding for the first 15-month contract period. Continuation funding is not guaranteed. Factors considered in awarding continuation grants include satisfactory performance, demonstrated capacity to manage the grant, compliance with grant requirements, agency priorities, and the availability of appropriated federal funds.

The Commission and the Corporation reserve the right to adjust the amount of a grant or elect not to continue funding for subsequent years.

Annual funding will be contingent upon availability of funds and satisfactory contractor performance.

**17-Offeror’s Terms and Conditions**

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency.

**18-Contract Deviations**

Any additional terms and conditions, which may be the subject of negotiation, will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror’s proposal.

**19-Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential
Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in Sections 13-1-83 and 13-1-85 NMSA 1978.

20-Right to Waive Minor Irregularities
The Evaluation Committee reserves the right to waive minor irregularities in submitted proposals. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

21-Change in Contractor Representatives
The Agency reserves the unilateral right to require a change in contractor’s representatives if the assigned representative(s) is(are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

22-Notice of Penalties
The Procurement Code, Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

23-Notice of Penalties
The Procurement Code, Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

24-Agency Rights
The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror’s proposal.

25-Right to Publish
Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the Agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or Agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror’s proposal or removal from the contract.

26-Ownership of Proposals
All documents submitted in response to the RFP shall become property of the State of New Mexico.

27-Confidentiality
Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency’s written permission.

28-Electronic mail address required
A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). Offeror must have a functioning e-mail address to receive this correspondence. (See also Section 2.11).

29-Use of Electronic Versions of this RFP

This RFP is being made available by electronic means. In the event of conflict between a version of the RFP in the Offeror’s possession and the version maintained by the Agency, the Offeror acknowledges that the version maintained by the agency shall govern.

Please refer to: http://www.dws.state.nm.us/

30-New Mexico Employees Health Coverage

a. For all contracts solicited and awarded on or after January 1, 2008: If the Offeror has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period during the term of the contract, Offeror must agree to have in place, and agree to maintain for the term of the contract, health insurance for those employees and offer that health insurance to those employees no later than July 1, 2016 if the expected annual value in the aggregate of any and all contracts between Contractor and the State exceed $250,000 dollars.

b. Offeror must agree to maintain a record of the number of employees who have (a) accepted health insurance; (b) decline health insurance due to other health insurance coverage already in place; or (c) decline health insurance for other reasons. These records are subject to review and audit by a representative of the state.

c. Offeror must agree to advise all employees of the availability of State publicly financed health care coverage programs by providing each employee with, as a minimum, the following web site link to additional information http://insurenewmexico.state.nm.us/.

d. For Indefinite Quantity, Indefinite Delivery contracts (price agreements without specific limitations on quantity and providing for an indeterminate number of orders to be placed against it); these requirements shall apply the first day of the second month after the Offeror reports combined sales (from state and, if applicable, from local public bodies if from a state price agreement) of $250,000.

31-Campaign Contribution Disclosure Form

Offeror must complete, sign, and return the Campaign Contribution Disclosure Form, APPENDIX B, as a part of their proposal. This requirement applies regardless whether a covered contribution was made or not made for the positions of Governor and Lieutenant Governor or other identified official. Failure to complete and return the signed unaltered form will result in disqualification.

32-Pay Equity Reporting Requirements

a. If the Offeror has ten (10) or more employees OR eight (8) or more employees in the same job classification, Offeror must complete and submit the required reporting form (PE10-249) if they are awarded a contract.

b. For contracts that extend beyond one (1) calendar year, or are extended beyond one (1) calendar year, Offeror must also agree to complete and submit the required form annually within thirty (30) calendar days of the annual bid or proposal submittal anniversary date and, if more than 180 days has elapsed since submittal of the last report, at the completion of the contract.

c. Should Offeror not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, offer must agree to provide the required report within ninety (90) calendar days of meeting or exceeding the size requirement.
d. Offeror must also agree to levy these reporting requirements on any subcontractor(s) performing more than 10% of the dollar value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during the term of the contract. Offeror must further agree that, should one or more subcontractor not meet the size requirement for reporting at contract award but subsequently grows such that they meet or exceed the size requirement for reporting, offer will submit the required report, for each such subcontractor, within ninety (90) calendar days of that subcontractor meeting or exceeding the size requirement.”

33-Disclosure Regarding Responsibility

a. Any prospective Bidder/Offeror (hereafter Offeror) and any of its Principals who seek to enter into a contract greater than twenty thousand dollars ($20,000.00) with any state agency or local public body for professional services, tangible personal property, services or construction agree to disclose whether they, or any principal of their company:
   1. Are presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.
   2. Have within a three-year period preceding this offer, been convicted of or had civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) contract or subcontract; violation of Federal or state antitrust statutes related to the submission of offers; or commission in any federal or state jurisdiction of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violation of Federal criminal tax law, or receiving stolen property.
   3. Are presently indicted for, or otherwise criminally or civilly charged by any (federal state or local) government entity with, commission of any of the offenses enumerated in paragraph B of this disclosure.
   4. Have preceding this offer, been notified of any delinquent Federal or state taxes in an amount that exceeds $3,000.00 of which the liability remains unsatisfied.
      i. Taxes are considered delinquent if both of the following criteria apply:
         • The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge of the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
         • The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
   5. Have within a three year period preceding this offer, had one or more contracts terminated for default by any federal or state agency or local public body.

b. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

c. The Offeror shall provide immediate written notice to the Procurement Manager or Buyer if, at any time prior to contract award, the Offeror learns that its disclosure was erroneous when submitting or became erroneous by reason of changed circumstances.

d. A disclosure that any of the items in this requirement exist will not necessarily result in withholding an award under this solicitation. However, the disclosure will be considered in the determination of the Offeror’s responsibility. Failure of the Offeror to furnish a disclosure or provide additional information as requested will render the Offeror nonresponsive.

e. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of an
Offeror is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

f. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts. If during the performance of the contract, the contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the contractor must provide immediate written notice to the Procurement Manager or Buyer. If it is later determined that the Offeror knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the State Purchasing Agent or Central Purchasing Officer may terminate the involved contract for cause. Still further the State Purchasing Agent or Central Purchasing Officer may suspend or debar the contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the State Purchasing Agent or Central Purchasing Officer.

34-Conflict of Interest; Governmental Conduct Act.

The Offeror warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement. The Offeror certifies requirements of the Governmental Conduct Act, Sections 10-16-1 through 10-16-18, NMSA 1978, regarding contracting with a public officer or state employee or former state employee have been followed.

7 NOTICE GLOSSARY

21st Century Service Corps (21st CSC):
The 21st Century Conservation Service Corps (21CSC) is a bold national effort to put young Americans and veterans to work protecting, restoring, and enhancing America’s great outdoors. The 21CSC, built on the legacy Page 19 of 22 of the Civilian Conservation Corps, will complete high quality, cost effective projects on public and tribal lands and waters across the nation. The 21CSC goals:

- **Put Americans to work:** The 21CSC will provide service, training, education and employment opportunities for thousands of young Americans and veterans, including low income and disadvantaged youth.
- **Preserve, protect, and promote America’s greatest gifts:** The 21CSC will protect, restore and enhance public and tribal lands and waters as well as natural, cultural, and historical resources and treasures. With high-quality, cost-effective project work, the 21CSC will also increase public access and use while spurring economic development and outdoor recreation.
- **Build America’s future:** Through service to America, the 21CSC will help develop a generation of skilled workers, educated and active citizens, future leaders, and stewards of natural and cultural resources, communities and the nation.

**Capacity Building:**
Grants also will provide support for capacity building activities provided by national service participants. As a general rule, CNCS considers capacity building activities to be indirect services that enable CNCS-supported organizations to provide more, better, and sustained direct services in CNCS’ six focus areas. Capacity building activities cannot be solely intended to support the administration or operations of the organization. Examples of capacity building activities include recruiting and/or managing community volunteers; implementing effective volunteer management practices; completing community assessments that identify goals and recommendations; developing new systems and business processes (technology, performance management, training, etc.); or enhancing existing systems and business processes.

**Cost Reimbursement Grants:**
These grants fund a portion of program operating costs and member living allowances with flexibility to use all of the funds for allowable costs regardless of whether or not the program recruits and retains all AmeriCorps members. Cost reimbursement grants include a formal matching requirement and require the submission of a budget and financial reports.

**Encore Programs:**
Congress set a goal that 10 percent of AmeriCorps funding should support encore service programs that engage a significant number of participants age 55 or older. NMCCV seeks to meet that 10 percent target in this competition and encourages encore programs to apply.

**Enrollment Rate:**
Enrollment rate is calculated as slots filled, plus refill slots filled, divided by slots awarded.

**Fixed Amount Grants:**
These fixed amount grants are available for programs that enroll full-time members or less than full-time members that are serving in a full time capacity only, including Professional Corps. These grants provide a fixed amount of funding per Member Service Year (MSY) that is substantially lower than the amount required to operate the program. Organizations use their own or other resources to cover the remaining cost. Programs are not required to submit budgets or financial reports, there is no specific match requirement, and programs are not required to track and maintain documentation of match. Professional Corps programs applying for operational funding through a Fixed Amount Grant must submit a budget in support of their request for operational funds. However, CNCS provides only a portion of the cost of running the program and organizations must still raise the additional resources needed to run the program. Programs can access all of the funds, provided they recruit and retain the members supported under the grant based on the MSY level awarded.

**Governor and Mayor Initiative:**
The application must address a pressing challenge the Governor wishes to solve in the state. A Governor must apply with one Mayor in his or her state and a minimum of two nonprofits. In conjunction with the Mayor, the Governor will be responsible for identifying and selecting those nonprofits that are best able to achieve a demonstrated positive impact on the problem. The application should include letters of commitment from all relevant parties. If the Governor and Mayor have not yet selected partnering nonprofit entities, they should describe the process that the Governor and Mayor will use to select the nonprofit entities. The application, submitted to the State Commission, will respond to the application criteria and explain how several nonprofits working together, with the Governor’s office serving as a convener, will effectively deploy AmeriCorps members for a collective impact. Only the Governor, Mayor, their designated government office (but not the state commission), or a public university may apply for operating grants under the Governor and Mayor initiative. Planning grant applicants under this initiative must demonstrate support from the Governor and a Mayor and a strong action plan to further garner their support to serve as the operating grant applicant in fall 2015.

For example, a Governor and a Mayor in a state could conclude the most pressing challenge facing the state is its high school graduation rate. The Governor and/or Mayor would submit one application describing:
- How the partnership will be organized and AmeriCorps resources will be allocated between the partnering entities (State, locality, and nonprofit entities).
- The proposed theory of change and program model.
- How they will utilize an identified consortium of nonprofits that are well positioned to achieve outcomes identified in the theory of change.

Applications submitted as part of the Governor and Mayor Initiative must check the “Governor and Mayor Initiative” box in the Performance Measure tab and email a letter of endorsement cosigned by the Governor and Mayor, as well as signed letters of commitment from partnering nonprofits to curtis.cannon@state.nm.us by the due date in order to be considered for this Initiative.
**Multi-focus Intermediates:**

Given the capacity required to successfully apply for and implement an AmeriCorps program, NMCCV recognizes that severely under-resourced communities may have limited applicant options, either based on the size of the nonprofits or the lack of available matching funds. Thus it may be necessary to engage an eligible applicant that will develop an application and oversee the implementation of an AmeriCorps program that engages multiple grassroots nonprofits/eligible applicants that individually do not have the necessary organizational or fundraising capacity to apply for and run an AmeriCorps program independently. Given the desire to address community needs holistically, the nonprofits/eligible applicants that make up the consortium may have different focus areas and thus the nonprofit/eligible applicant intermediary will be multi-focused.

Applications seeking consideration under this priority must demonstrate that they will be serving in severely under-resourced communities, and how the activities provided by the consortium collectively address a compelling community need or set of needs. The applicant must demonstrate that they have sufficient financial and management capacity to act as an umbrella organization for the consortia.

The nonprofit/eligible applicant intermediary should submit one application that describes:

- How the partnership will be organized and AmeriCorps resources will be allocated between the partnering entities (intermediary and consortia members).
- The proposed theory(ies) of change and program model(s).
- How they will utilize an identified consortium of nonprofits/eligible applicants that are well positioned to achieve outcomes identified in the theory of change.

Applicants must email memoranda of understanding or signed letters of commitment from all members of the consortia to curtis.cannon@state.nm.us by the application due date in order to be considered for this Initiative.

**My Brother’s Keeper:**

President Obama launched the My Brother’s Keeper initiative to address persistent opportunity gaps faced by boys and young men of color and ensure that all young people can reach their full potential. Through this initiative, the Administration is joining with cities and towns, businesses, and foundations who are taking important steps to connect young people to mentoring, support networks, and the skills they need to find a good job or go to college and work their way into the middle class.

My Brother’s Keeper is focused on five milestones:

- **Getting a Healthy Start and Entering School Ready to Learn:** All children should have a healthy start and enter school ready – cognitively, physically, socially and emotionally.
- **Reading at Grade Level by Third Grade:** All children should be reading at grade level by age 8 – the age at which reading to learn becomes essential.
- **Graduating from High School Ready for College and Career:** Every American child should have the option to attend postsecondary education and receive the education and training needed for quality jobs of today and tomorrow.
- **Successfully Entering the Workforce:** All those who want jobs should be able to find work that allows them to support themselves and their families.
- **Keeping Kids on Track and Giving Them Second Chances:** All children should be safe from violent crime; and individuals who are confined should receive the education, training and treatment they need for a second chance.

In order to qualify for this priority area, applicants must demonstrate that their program addresses or will address one or more of the five milestones.

**Opportunity Youth:**
Opportunity youth are economically disadvantaged individuals age 16-24 who are disconnected from school or work for at least six months prior to service. CNCS defines “economically disadvantaged” consistent with the definition used in the member development performance measures, “Receiving or meet the income eligibility requirements to receive: TANF, Food Stamps (SNAP), Medicaid, SCHIP, Section 8 housing assistance.” CNCS defines “disconnected from school or work” as unemployed, underemployed, and not in school for at least six months prior to service. A member who was not economically disadvantaged prior to becoming an AmeriCorps member but became economically disadvantaged because the living allowance was low enough to make them eligible for SNAP, etc cannot be counted as economically disadvantaged. In order to apply under this priority the applicant must demonstrate the programmatic elements they will implement in order to recruit and support opportunity youth as members, and a substantial portion of their requested MSYs must fall into this category.

**Retention Rate:**
Retention rate is calculated as the number of members exited with award (full or partial award) divided by the number of members enrolled.

**Rural:**
CNCS uses rural-urban commuting area (RUCA) codes to classify program addresses as either rural or urban for analytic purposes. RUCA codes classify U.S. census tracts using measures of population density, urbanization, and daily commuting. Census tracts with an urban cluster population less than 50,000 are considered rural (RUCA codes 4 – 10). Applicants are encouraged to designate themselves as serving rural communities if some or all service locations are in rural areas as defined RUCA codes or if the program can provide other compelling evidence that the program is rural in the narrative portion of the application. This self-designation will be considered in grant-making decisions.

For more information about RUCA codes, please visit the USDA website found here: http://www.ers.usda.gov/data-products/rural-urban-commuting-area-codes.aspx

APPENDIX B

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to NMSA 1978, § 13-1-191.1 (2006), any person seeking to enter into a contract with any state agency or local public body for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars ($250) over the two year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official’s employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

THIS FORM MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

“Applicable public official” means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official’s behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Person” means any corporation, partnership, individual, joint venture, association or any other private legal entity.
“Prospective contractor” means a person who is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person qualifies for a sole source or a small purchase contract.

“Representative of a prospective contractor” means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

THIS AGREEMENT is made and entered into by and between the State of New Mexico, New Mexico Department of Workforce Solutions, hereinafter referred to as the “Agency,” and <Organization> hereinafter referred to as the “Contractor,” and is effective as of the date set forth below upon which it is executed by the Agency.

WHEREAS, pursuant to the Procurement Code, NMSA 1978 13-1-28 et. seq; and Procurement Code Regulations, NMAC 1.4.1 et.seq; the Contractor has held itself out as expert in implementing the Scope of Work as contained herein and the Procuring Agency has selected the Contractor as the offeror most advantageous to the State of New Mexico; and

WHEREAS, this Agreement is issued against the state price agreement, SPD 40-000-13-00003AD Professional Services, established and maintained by the New Mexico State Purchasing Division of the General Services Department;

IT IS AGREED BETWEEN THE PARTIES:

1. **Scope of Work.**
   A. The Contractor shall perform the Scope of Work as set forth in Attachment 1 of this Agreement.

2. **Compensation.**
   A. The Agency shall pay to the Contractor for services satisfactorily performed as outlined in the budget which is made part of this Agreement as Attachment 2 – Budget. The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed $< >. This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the Agency when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.
   
   B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the Agency. All invoices MUST BE received by the Agency no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.
   
   C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the Agency finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the Agency that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the agency shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.
3. **Term.**

   THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY
   THE STATE PURCHASING AGENT. This Agreement shall terminate on (08/31/2015) unless terminated pursuant to
   paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with NMSA 1978, § 13-1-150, no
   contract term for a professional services contract, including extensions and renewals, shall exceed four years,
   except as set forth in NMSA 1978, § 13-1-150.

4. **Termination.**

   A. **Grounds.** The Agency may terminate this Agreement for convenience or cause.
   The Contractor may only terminate this Agreement based upon the Agency’s uncured, material breach of this
   Agreement.

   B. **Notice; Agency Opportunity to Cure.**

   1. Except as otherwise provided in Paragraph (4)(B)(3), the Agency shall
      give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

   2. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency’s material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor’s notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor
      of its intent to cure and begin with due diligence to cure the material breach.

   3. Notwithstanding the foregoing, this Agreement may be terminated
      immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services
      contracted for, as determined by the Agency; (ii) if, during the term of this Agreement, the Contractor
      is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph
      5, “Appropriations”, of this Agreement.

   C. **Liability.** Except as otherwise expressly allowed or provided under this Agreement, the Agency’s
      sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor’s receipt or
      issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise
      affect either party’s liability for pre-termination defaults under or breaches of this Agreement. The Contractor
      shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination.

      **THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY’S OTHER LEGAL RIGHTS AND REMEDIES
      CAUSED BY THE CONTRACTOR’S DEFAULT/BREACH OF THIS AGREEMENT.**

   D. **Termination Management.** Immediately upon receipt by either the Agency or the Contractor of
      notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries,
      services or any other expenditure of funds under this Agreement without written approval of the Agency; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the Agency shall direct for the protection, preservation, retention or transfer of all property titled to the Agency and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the Agency upon termination and shall be submitted to the agency as soon as practicable.

5. **Appropriations.**

   The terms of this Agreement are contingent upon sufficient appropriations and authorization being made
   by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and
   authorization are not made by the Legislature, this Agreement shall terminate immediately upon written notice
being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. **Status of Contractor.**
   The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the State of New Mexico. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles, or any other benefits afforded to employees of the State of New Mexico as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the State of New Mexico unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. **Assignment.**
   The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the Agency.

8. **Subcontracting.**
   The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Agency. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Agency.

9. **Release.**
   Final payment of the amounts due under this Agreement shall operate as a release of the Agency, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. **Confidentiality.**
    Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Agency.

11. **Product of Service -- Copyright.**
    All materials developed or acquired by the Contractor under this Agreement shall become the property of the State of New Mexico and shall be delivered to the Agency no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

12. **Conflict of Interest; Governmental Conduct Act.**
    A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

    B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978. Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

    1) in accordance with NMSA 1978, § 10-16-4.3, the Contractor does not employ, has not
employed, and will not employ during the term of this Agreement any Agency employee while such employee was or is employed by the Agency and participating directly or indirectly in the Agency's contracting process;

2) this Agreement complies with NMSA 1978, § 10-16-7(A) because (i) the Contractor is not a public officer or employee of the State; (ii) the Contractor is not a member of the family of a public officer or employee of the State; (iii) the Contractor is not a business in which a public officer or employee or the family of a public officer or employee has a substantial interest; or (iv) if the Contractor is a public officer or employee of the State, a member of the family of a public officer or employee of the State, or a business in which a public officer or employee of the State or the family of a public officer or employee of the State has a substantial interest, public notice was given as required by NMSA 1978, § 10-16-7(A) and this Agreement was awarded pursuant to a competitive process;

3) in accordance with NMSA 1978, § 10-16-8(A), (i) the Contractor is not, and has not been represented by, a person who has been a public officer or employee of the State within the preceding year and whose official act directly resulted in this Agreement and (ii) the Contractor is not, and has not been assisted in any way regarding this transaction by, a former public officer or employee of the State whose official act, while in State employment, directly resulted in the Agency's making this Agreement;

4) this Agreement complies with NMSA 1978, § 10-16-9(A) because (i) the Contractor is not a legislator; (ii) the Contractor is not a member of a legislator's family; (iii) the Contractor is not a business in which a legislator or a legislator's family has a substantial interest; or (iv) if the Contractor is a legislator, a member of a legislator’s family, or a business in which a legislator or a legislator’s family has a substantial interest, disclosure has been made as required by NMSA 1978, § 10-16-7(A), this Agreement is not a sole source or small purchase contract, and this Agreement was awarded in accordance with the provisions of the Procurement Code;

5) in accordance with NMSA 1978, § 10-16-13, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

6) in accordance with NMSA 1978, § 10-16-3 and § 10-16-13.3, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the Agency.

C. Contractor’s representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the Agency relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the Agency if, at any time during the term of this Agreement, Contractor learns that Contractor’s representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor’s representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the Agency and notwithstanding anything in the Agreement to the contrary, the Agency may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this Article 12(B).

13. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.
14. **Merger.**
This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

15. **Penalties for violation of law.**
The Procurement Code, NMSA 1978 §§ 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

16. **Equal Opportunity Compliance.**
The Contractor agrees to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

17. **Applicable Law.**
The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, § 38-3-1 (G). By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

18. **Workers Compensation.**
The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the Agency.

19. **Unemployment Insurance**
The Contractor agrees to comply with all federal and state laws, rules and regulations pertaining to Unemployment Insurance Taxes for its employees. If the Contractor fails to comply with Unemployment Insurance Taxes and applicable laws, rules and regulations when required to do so, this Agreement will be immediately terminated by the Agency.

20. **Records and Financial Audit.**
The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature and cost of services rendered during the Agreement’s term and effect and retain them for a period of three (3) years from the date of final payment under this Agreement. The records shall be subject to inspection by the Agency, the Department of Finance and Administration and the State Auditor. The Agency shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments.

21. **Indemnification.**
The Contractor shall defend, indemnify and hold harmless the Agency and the State of New Mexico from all actions, proceedings, claims, demands, costs, damages, attorneys’ fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Agreement, caused by
the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or
if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during
the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is
performing services pursuant to this Agreement. In the event that any action, suit or proceeding related to the
services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this
Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2)
days after it receives notice thereof, notify the legal counsel of the Agency and the Risk Management Division of
the New Mexico General Services Department by certified mail.

22. **New Mexico Employees Health Coverage.**
   A. If Contractor has, or grows to, six (6) or more employees who work, or who are
expected to work, an average of at least 20 hours per week over a six (6) month period during the term of the
contract, Contractor certifies, by signing this agreement, to have in place, and agree to maintain
for the term of the contract, health insurance for those employees and offer that health insurance to those employees if the
expected annual value in the aggregate of any and all contracts between Contractor and the State exceed
$250,000 dollars.

   B. Contractor agrees to maintain a record of the number of employees who have (a) accepted
health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c)
declined health insurance for other reasons. These records are subject to review and audit by a representative of
the state.

   C. Contractor agrees to advise all employees of the availability of State publicly financed health
care coverage programs by providing each employee with, as a minimum, the following web site link to additional
information: [http://www.insurenewmexico.state.nm.us/](http://www.insurenewmexico.state.nm.us/).

23. **Employee Pay Equity Reporting.**
   Contractor agrees if it has ten (10) or more New Mexico employees OR eight (8) or more
employees in the same job classification, at any time during the term of this contract, to complete and submit the
PE10-249 form on the annual anniversary of the initial report submittal for contracts up to one (1) year in
duration. If contractor has (250) or more employees contractor must complete and submit the PE250 form on the annual
anniversary of the initial report submittal for contracts up to one (1) year in duration. For contracts that extend beyond one (1) calendar year, or are extended beyond one (1) calendar year, contractor also agrees to
complete and submit the PE10-249 or PE250 form, whichever is applicable, within thirty (30) days of the annual
contract anniversary date of the initial submittal date or, if more than 180 days has elapsed since submittal of the
last report, at the completion of the contract, whichever comes first. Should contractor not meet the size
requirement for reporting at contract award but subsequently grows such that they meet or exceed the size
requirement for reporting, contractor agrees to provide the required report within ninety (90) days of meeting or
exceeding the size requirement. That submittal date shall serve as the basis for submittals required thereafter.
Contractor also agrees to levy this requirement on any subcontractor(s) performing more than 10% of the dollar
value of this contract if said subcontractor(s) meets, or grows to meet, the stated employee size thresholds during
the term of the contract. Contractor further agrees that, should one or more subcontractor not meet the size
requirement for reporting at contract award but subsequently grows such that they meet or exceed the size
requirement for reporting, contractor will submit the required report, for each such subcontractor, within ninety
(90 days) of that subcontractor meeting or exceeding the size requirement. Subsequent report submittals, on
behalf of each such subcontractor, shall be due on the annual anniversary of the initial report submittal.
Contractor shall submit the required form(s) to the State Purchasing Division of the General Services Department,
and other departments as may be determined, on behalf of the applicable subcontractor(s) in accordance with
the schedule contained in this paragraph. Contractor acknowledges that this subcontractor requirement applies
even though contractor itself may not meet the size requirement for reporting and be required to report itself.

Notwithstanding the foregoing, if this Contract was procured pursuant to a solicitation, and if Contractor
has already submitted the required report accompanying their response to such solicitation, the report does not need to be re-submitted with this Agreement.

24. **Invalid Term or Condition.**
   If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

25. **Enforcement of Agreement.**
   A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

26. **Notices.**
   Any notice required to be given to either party by this Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

   To the Agency:
   
   New Mexico Department of Workforce Solutions 401
   Broadway NE
   Albuquerque, NM 87102
   Attention: Executive Director, New Mexico Commission for Community Volunteerism

   To the Contractor:
   
   <Organization>
   <Name> <Title>
   <Address>
   <State, City, Zip>

27. **Authority.**
   If Contractor is other than a natural person, the individual(s) signing this Agreement on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter into a binding contract.

28. **AmeriCorps Federal/CNCS requirements.**

   1. Contractor must comply with the following AmeriCorps Provisions:
      a. The Edward M. Kennedy Serve America Act, Corporation for National and Community Service 45 CFR parts 2541 and 2542, Corporation and Cooperative Grant Agreement Requirements.
      d. All sub awards are subject to those Federal cost principles applicable to the particular organization concerned. Thus, if a sub award is to a governmental unit (other than a college, university or hospital), OMB Circular A-87 shall apply; if a sub award is to a commercial organization, the cost principles applicable to commercial organizations shall apply; if a sub award is to a college or university, OMB Circular A-21 shall apply; if a sub award is to a hospital, the cost principles used by the Federal awarding agency for awards to hospitals shall apply, subject to the provisions of subsection A.3.a. of OMB Circular A-87; if a sub award is to some other non-profit organization, OMB Circular A-122, "Cost Principles for Non Profit
Organizations, shall apply. Distribution of expenditures shall follow the Budget (Attachment 2).

2. Contractor must also ensure that individuals who have been selected by the Contractor to serve in an approved AmeriCorps New Mexico national service position, meet the following eligibility requirements:
   a. Is enrolled in an approved national service position;
   b. Is a U.S. citizen, U.S. National or lawful permanent resident alien of the United States;
   c. Is at least 17 years of age at the commencement of service unless the member is out of school and enrolled in a full-time year round youth corps Program, full-time summer Program or a program for economically disadvantaged youth as defined in the Edward M. Kennedy Serve America Act 942 U.S.C. 12572 (a) (9)), in which case he or she must be between the ages of 16 and 24; and Has a high school diploma or an equivalency certificate (or agrees to obtain a high school diploma).

   *Individuals under eighteen years of age must provide written consent from a parent or legal guardian.

3. Contractor agrees to ensure that all sub-grantee websites clearly state that they are an AmeriCorps grantee and prominently display the AmeriCorps logo. The New Mexico Commission for Community Volunteerism Logo (“Logo”) is a trademark of the New Mexico Commission for Community Volunteerism, which regulates its use. You may not use the Logo without express written permission from The Commission or from the Executive Director of the Commission.

4. Contractor agrees to notify CNCS within 30 days of a member’s selection for, completion of, suspension from, or release from, a term of service. Contractor must also notify the CNCS National Service Trust, via My AmeriCorps Portal, when a change in a member’s service is approved and changed.

5. Contractor agrees to ensure that each member has sufficient opportunity to complete the required number of hours of service to qualify for the education award if applicable.

6. Contractor agrees to ensure that members of the AmeriCorps program are exited from the program within 30 days of the end of their term of service.

7. Contractor agrees to develop member positions that provide for meaningful service activities and performance criteria that are appropriate to the skill level of members.

8. Contractor agrees to require that each member sign a service agreement that, at minimum, includes the following:
   a. Member position description;
   b. Minimum number of service hours necessary to complete the term of service and to be eligible for the education award;
   c. Amount of the education award being offered for successful completion of the terms of service in which the individual is enrolling;
   d. Standards of conduct, as developed by sub grantee;
   e. List of prohibited activities;
   f. Requirements under the Drug-Free Workplace Act;
   g. Civil rights requirements, complaint procedures and rights of beneficiaries;
   h. Suspension and termination rules;
   i. Specific circumstances under which a member may be released for cause;
   j. Grievance procedures; and
   k. Other requirements established by the Agency

9. Contractor agrees to ensure that while charging time to AmeriCorps Program, accumulating service or training
hours, or otherwise performing activities associated with the AmeriCorps program or the Corporation, staff and members do not engage in the following activities:

a. Attempting to influence legislation;

b. Organizing or engaging in protests, petitions, boycotts, or strikes;

c. Assisting, promoting or deterring union organizing;

Engaging in partisan political activities or other activities designed to influence the outcome of an election to any public office;

e. Participating in, or endorsing, events or activities that are likely to include advocacy for or against political parties, political platforms, political candidates, proposed legislation, or elected officials;

f. Engaging in religious instruction; conducting worship services; providing instruction as part of a Program that includes mandatory religious instruction worship; constructing or operating facilities devoted to religious instruction or worship; maintaining facilities primarily or inherently devoted to religious instruction or worship; or engaging in any form of religious proselytization;

g. Providing a direct benefit to a for-profit entity; labor union; partisan political organization; an organization engaged in the religious activities previously described; or a nonprofit entity that fails to comply with the restrictions contained in section 501-(c)-(3) of U.S. Code Title 26;

h. Voter registration drives by AmeriCorps members is an unacceptable service activity. In addition, Corporation funds may not be used to conduct a voter registration drive; or

i. Other activities as the Corporation determines will be prohibited, upon notice to the Contractor.

10. Contractor agrees to retain fiscal records, program files, member files and supporting documentation for a period of at least three years from the date of termination of this Agreement.

11. Contractor agrees to obtain CNCS approval for purchases with grant money of equipment over $5,000.

12. Contractor must institute safeguards as necessary and appropriate to ensure the safety of members.

13. Contractor agrees to be responsible for assuring that the following acknowledgement and disclaimer appears in any external report or publication of material based upon work supported by this grant:

“This material is based upon work supported by the Corporation for National and Community Service (CNCS) under AmeriCorps Grant No._____. Opinions or points of view expressed in this document are those of the authors and do not necessarily reflect the official position of, or a position that is endorsed by, CNCS or the AmeriCorps program.”

14. Contractor shall conduct Corporation for National Community Service (CNCS)-required National Service Criminal History Checks (NSCHC) for all staff and members. All staff and members funded in whole or in part through this agreement must have either a two-part or three-part NSCHC conducted dependent on whether staff/members have recurring access to vulnerable populations (defined by CNCS as Children age 17 and under, Individual aged 60 and over, and Individuals with Disabilities).

1. Two-part check: Any staff and/or members that does not have recurring access to “vulnerable populations,” must complete a NSCHC conducted using 1) the National Sex Offender Public Website (NSOPW) and 2) either an in-state background check or a fingerprint-based FBI check.

2. Three-part check: Any staff and/or Members that have recurring access to vulnerable populations must complete a NSCHC conducted using the NSOPW and both an in-state background check and a fingerprint-based FBI check.

In-state and fingerprint-based FBI criminal checks must be conducted through the CNCS authorized state repository. The authorized New Mexico state repository is the New Mexico Department of Public Safety (NMDPS). If the Contractor intends to utilize an organization other than the NMDPS they must submit a CNCS Alternative Search Procedure form to the Agency requesting use of a different entity other than the authorized state repository. Guidance regarding required NSCHCs may be found at www.nationalserviceresources.org/national-service-criminal-history-check-resources.
NSCHC results that prohibit individuals from serving as members:
1. Anyone listed, or required to be listed, on a sex offender registry is ineligible to serve.
2. Anyone convicted of murder as defined and described in 18 U.S.C. § 1111 is ineligible to serve.
3. Anyone who refuses to undergo the NSCHC may not serve.
4. Anyone who makes a false statement in connection with a program’s inquiry concerning the individual's criminal history is ineligible to serve.
5. If the NSCHC returns results that implicate criteria other than those above, the Contractor has the discretion, subject to any federal civil rights law and state law requirements, to decide whether or not the results of a criminal history background check disqualify an individual from service.

Contractor should consider the factors set forth in the EEOC’s guidance under Title VII (www.eeoc.gov/laws/guidance/arrest_conviction.cfm), including the nature and gravity of the offense, the time that has passed since the conviction or completion of the sentence, and the nature of the position. Contractor must have written policies on their disqualification criteria and be consistent in how those criteria are applied to all individuals.

In addition, Contractor should be aware of federal reentry policy, which seeks to minimize unjustified collateral consequences on formerly incarcerated persons. Participation in national service programs funded by CNCS could aid the successful reentry of formerly incarcerated persons into society. Therefore, barriers to participation in national service programs for those formerly incarcerated persons who are not statutorily ineligible to serve should be minimized as much as possible without putting program beneficiaries at genuine risk.

29. **Additional requirements.**

1. Contractor will provide the necessary personnel, materials, and facilities to implement program.
2. Contractor agrees to recruit, screen and place appropriate individuals to serve as AmeriCorps members, who will carry out the purpose of this Contract.
3. Contractor will provide members with adequate supervision by qualified supervisors consistent with the approved application. Contractor must conduct an orientation for members, including training on what activities are prohibited during AmeriCorps service hours, and comply with any pre-service orientation or training required by CNCS.
4. Contractor will assume responsibility for training AmeriCorps members on prohibited activities. The training events will be subject to audit by the Agency and the Corporation for National and Community Service.
5. Contractor will have a member grievance procedure in place in accordance with Title 45 Code of Federal Regulations Sec. 2540.230.
6. Contractor will assure participation of the Contractor staff and AmeriCorps members at required training and outreach events.
7. Contractor will provide the AmeriCorps program activities proposed in the Contractor grant application that was approved in June 2013. This program was subsequently approved and is funded by the Federal Corporation for National and Community Service.
8. Contractor will need prior written approval by the Agency for all Budget deviations.
9. Contractor will maintain fiscal records for full accountability following generally accepted accounting principles and account for all receipts and disbursements of funds transferred or expended.
10. Contractor will provide all fiscal and programmatic reports requested by the Agency and/or the Corporation for National and Community Service by the requested due dates. Fiscal reports and invoices must reflect the same match percentage as the approved budget attached hereto as Attachment 2. Invoices are due on the 15th of the month following that in which the Contractor provided the services.

11. Contractor will assure that any agreements with a partnering organization or alternative site be pre-approved in writing by the Agency and comply with all AmeriCorps requirements, provisions, regulation, statutes guidelines, amendments as stated in paragraph 1 herein.

12. The Contractor shall conform to all applicable State of New Mexico regulations and shall assume liability for any audit finding resulting in a fiscal sanction or reimbursement to the Corporation for National and Community Service.

13. Contractor will provide a Final Progress Report to the Agency no later than 20 days after the termination of the Contract.
