Revised 10/2016
WHAT IS LABOR MARKET INFORMATION (LMI)?

LMI is data and qualitative information related to employment and the workforce. It includes:
- Employment and unemployment estimates
- Characteristics of employment changes (hires, separations, turnover)
- Industry/occupational employment and wages
- Education and licensing requirements
- Projected employment growth
- Current job openings statistics

WHO PRODUCES LMI FOR NEW MEXICO?

The New Mexico Department of Workforce Solutions’ (NMDWS) Economic Research & Analysis Bureau (ER&A) is the principle source of labor market information for the state. ER&A collects, analyzes, and disseminates this data in cooperation with the U.S. Department of Labor’s Bureau of Labor Statistics and Employment and Training Administration.

WHY USE LMI & HOW CAN IT HELP YOU?

LMI HELPS INDIVIDUALS make informed decisions when exploring career options, planning their careers, and looking for work.
- Education and training providers
- Wages and projected job openings
- In-demand occupations and current job openings
- Employer profiles

LMI HELPS BUSINESSES make informed decisions when choosing to expand or grow their business operations, hire or lay off workers, and offer competitive wages.
